

DEQ OPENCUT MINING PROGRAM
SUPPLEMENTAL ENVIRONMENTAL ASSESSMENT

Proponent: New Moon Ranch, LLC, Requesting Assignment and Amendment #1

Site: Flying M Ranch

Legal: Sec 23, T4S, R9E

County: Park

Approved Permit and Amendment #'s: Previous Flying M Ranch permit number was FMR-001

Type and Purpose of Action: Operator has applied to assign the permit from Flying M Ranch to New Moon Ranch, LLC, and to extend the reclamation date to May of 2010. No further mining is planned and the extended date is to allow additional time for reclamation. The bond would remain at \$23,240.

Potential Impacts and Mitigation: The Applicant would be legally bound by the permit to reclaim the site. The original Environmental Assessment is applicable to this action.

The actions described in this supplemental EA would not cause significant impacts on the physical environment or human population.
