

OPENCUT MINING PROGRAM

SUPPLEMENTAL ENVIRONMENTAL ASSESSMENT

Requested Action: Amendment # 1

COUNTY: Dawson

APPLICANT: Dawson County

DATE: December 2010

SITE NAME: Magalsky Pit

APPROVED PERMIT #: 832

LOCATION: Sec 27 & 34, T19N, R51E

Type and Purpose of Action: The operator has applied for an amendment to add 6.0 acres to their existing 5-acre permit for the purpose of expanding the mine area. The additional material would be used for county projects. It is borrow material and no crusher would be used. All aspects of the gravel pit operation will remain the same. This amendment would also extend the final reclamation date to December 2019.

Potential Impacts and Mitigation: It is expected that impacts associated with this proposal will mimic those identified in the previously-approved EA documents. No significant impacts would occur.
