

**ENVIRONMENTAL ASSESSMENT FOR MINOR REVISION
COAL AND URANIUM PROGRAM
MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY**

COMPANY NAME: Westmoreland Savage Corp

DATE: September 28, 2011

PERMIT#: C1984002

REVISION NO: MR11-02-02

LOCATION: Savage Mine, T20N, R57E

Type and Purpose of Action:

With this minor revision the mine operator is proposing to update their surface mining permit with as-built drawings of their coal haul roads. The administrative rules require as-built drawings and/or a report be submitted after construction certifying the roads were built in accordance with the approved plan.

Potential Impacts and Mitigation Measures:

The action is administrative in nature as the purpose is to provide verification the roads were built according to the approved plan. The MR does not allow for any action on the ground beyond that already approved.

Alternative Actions:

None considered.
