Re: MT-CDBG-10PF-07
Superior Fire Hall

Dear Sir or Madam:

Enclosed is a Combined Notice, Finding of No Significant Impact (FONSI) and Notice to Public of Request for Release of Funds (NOI/RROF) in connection with a Montana Department of Commerce CDBG Grant (MT-CDBG-10PF-0) which provides some of the funding for the construction of a new fire hall in Superior, Mineral County, Montana. Also enclosed is a map showing the specific site.

If you have questions, you may contact me at the numbers listed on this letterhead. If you wish to enter a comment on the project, you should follow the procedure set out in the notice.

Sincerely,

John Woodland – Chief
Superior Volunteer Fire Department

An Environmental Review Record documenting review of all project activities in respect to impacts on the environment has been made by the above-named Town of Superior. This Environmental Review Record is on file at the above address and is available for public examination and copying upon request between the hours of 9:00 AM and 5:00 PM.

No further environmental review of such project is proposed to be conducted prior to the request for release of CDBG project funds.

Public Comments on Findings

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the Town of Superior to the Office of the Mayor on or before April 2, 2011. All such comments so received will be considered and the Town of Superior will not request release of funds or take any administrative action on the project prior to the date specified in the preceding sentence.

Release of Funds

The Town of Superior will undertake the project described above with CDBG funds provided by DOC under Title I of the Housing and Community Development Act of 1974, as amended. Town of Superior is certifying to DOC that Town of Superior and Mayor/Environmental Certifying Officer Mike Wood, in his official capacity as Mayor/Environmental Certifying Officer consents to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect on the certification is that upon its approval, the Town of Superior may use the CDBG funds and DOC will have satisfied its responsibilities under the National Environmental Policy Act of 1969.

Objections to State Release of Funds

The Department of Commerce will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases:

- (a) that the certification was not in fact executed by the chief executive officer or other officer approved by the Department of Commerce;
- (b) that the applicant's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review process;
- (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by DOC; or
- (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental design.

Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and may be addressed to: Montana Department of Commerce (MDOC), Community Development Division, 301 S. Park Avenue, P.O. Box 200523, Helena, Montana 59620.

Objections to the release of funds on bases other than those stated above will not be considered by MDOC. No objection received after April 21, 2011 will be considered by MDOC.

Mike Wood, Mayor/Environmental Certifying Officer
