**Dear Interested Public,**

In an effort to reduce printing and mailing costs, you have received this postcard notifying you that a draft Environmental Assessment (EA) has been completed and is available for your review. A draft EA of a project to restore Yellowstone cutthroat trout in part of the upper Boulder River watershed was released to the public on Friday, May 20, 2011. The EA is available for you to view on FWP's website at:

**<http://fwp.mt.gov/news/publicNotices>**

We invite you to read and comment on the proposal. **Public comment** will be accepted until **June 20<sup>th</sup>, 2011**. A **public meeting** will be held in **Big Timber** to describe the project and answer questions or concerns on **June 15<sup>th</sup> at 7 PM at the Carnegie Public Library**. If you would like a hard copy of the EA, please contact our Billings regional office at 406-247-2940.
