Decision Notice Park County Rod and Gun Club Livingston, Montana

August 16, 2011

Montana Fish, Wildlife & Parks released a draft Environmental Assessment (EA) on a proposal to grant \$12,635 in state license dollars to the Park County Rod & Gun Club to improve the high power rifle line facility and to replace an ageing trap machine at their range located northwest of Livingston, Montana, just off of Megis road.

A legal notice of the Park County Rod & Gun Club draft EA was published twice in the Livingston enterprise on the 26th of June and 2nd August. FWP issued a news release regarding this proposal and EA on July 22. The EA was available for public review on FWP's website (<http://fwp.mt.gov/>, "Recent Public Notices") from July 19, to August 5, 2011

FWP did not receive any public comments on this draft EA.

Based on public comments and internal review, the Draft EA will be adopted as the Final EA. This Decision Notice and the Final EA will serve as the final documents pertaining to this action. Funding for this project will be granted by FWP pending the completion of other administrative requirements by Park County Rod & Gun Club as required by the Shooting Range Development Program.

Sincerely,
Signature on file
