

**ENVIRONMENTAL ASSESSMENT FOR MINOR REVISION  
COAL AND URANIUM PROGRAM  
MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY**

COMPANY NAME: Decker Coal Company

DATE: January 17, 2012

PERMIT#: C1987001C

REVISION NO: MR160

LOCATION: West Decker

Type and Purpose of Action:

This MR proposes to add a sub-contract miner to the permit for a portion of operations at Pit 16 South.

Potential Impacts and Mitigation Measures:

DCC would not be relieved of any compliance responsibilities as a result of this MR, so environmental impact would be negligible.

Alternative Actions:

No alternatives were considered.
