

**ENVIRONMENTAL ASSESSMENT FOR MINOR REVISION  
COAL AND URANIUM PROGRAM  
MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY**

COMPANY NAME: Decker Coal Company

DATE: April 27, 2012

PERMIT#: C1987001C

REVISION NO: MR163

LOCATION: W Decker

Type and Purpose of Action:

The operator seeks approval to construct a new power line that will impact Reclamation Fields B3p, B6u, A12d, and A16d.

Potential Impacts and Mitigation Measures:

The revision is largely administrative in nature, so has negligible environmental impact.

Alternative Actions:

No alternatives were considered.
