

**ENVIRONMENTAL ASSESSMENT FOR MINOR REVISION
COAL AND URANIUM PROGRAM
MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY**

COMPANY NAME: Western Energy Company

DATE: April 19, 2013

PERMIT#: C1985003C

REVISION NO: MR98

LOCATION: Area C Permit Area

Type and Purpose of Action:

The permittee proposed the addition of an above ground fiber optic line.

Potential Impacts and Mitigation Measures:

No impacts would be anticipated because the fiber optic line will be installed on existing poles.

Alternative Actions:

No alternative actions are required or were considered.
