

FISH, WILDLIFE and PARKS ACRES OWNED BY COUNTY

Fee Title Ownership Only - does not include leased lands

Source: FWP Land Book, FWP detailed transactions through June 17, 2010

The above map represents all acreage owned by FWP including, but not limited to state parks, wildlife management areas, fishing access sites and administrative sites. This data does not include any leased lands, or conservation easements. Small corrections were made on July 26, 2010.
