

LIEAP Participants and Funding for State Fiscal Years 2008-2013

The Low Income Energy Assistance Program (LIEAP) is a federally-funded non-entitlement program. These federal funds comes in the form of a block grant that covers all heating assistance and administration costs for the LIEAP program, and is used to cover most of the state's weatherization program costs. Data for this chart are federal funding and heating assistance spending as reported by the Intergovernmental Human Services Bureau of the Department of Public Health and Human Services.
