

FY 2015 Expenditures by Section of Government  
General Fund, State Special & Federal Special  
Total = \$5,626.8 (\$ Millions)

Source: Statewide Accounting, Budgeting and Human Resource System  
(unaudited and unassigned)

The above chart shows the 2015 expenditures by section of government for the three major fund types: general fund, state special and federal special.

Public health and human services, office of public instruction (K-12 education) and the department of transportation comprise 66% of the total expenditures, while federal funds are the largest funding source.
