

The chart shows student full-time equivalent (FTE) enrollments at 4-year public postsecondary institutions in the Montana University System (MUS).

#### Changes in FTE

Since FY 2005, Montana Tech has experienced the largest annual average growth at 3.3%, followed by UM Western at 2.5%, and MSU Bozeman remaining steady at 2.3%. Total enrollments on the six campuses has increased from 29,123 in FY 2005 to 31,268 in FY 2015.

For more information please view the [MUS FTE Presentation by clicking here](#).

#### Economic Impacts:

The increase in overall enrollments in FY 2009 - FY 2011 was likely the result of the recession. During periods of economic stress, college enrollments typically increase.
