

The figure shows the general fund debt service, including the estimated costs of all authorized bonds and the costs of the executive proposal, shown by the green & green hatched bars. The LFD projections, which are lower from FY 2018-2021 are represented by the green bars. The executive requested that the 2017 Legislature authorize an additional \$157.4 million in general obligation debt financing for statewide infrastructure projects in the 2019 biennium.
