Dear Homeowner,

Thank you for your interest in providing housing during the 2017 legislative session. The session is scheduled for January 2nd through April 25, 2017. However, these dates are subject to change.

Attached is a form for you to fill out. Your information will be entered into a database that will be available to the legislators.

There are several options for filling out the housing form:

- › You may fill out the attached form and mail it back to me.
- › You may request a writable .pdf file that I can e-mail to you.
- › You are welcome to fill out the form in person in my office.

The Legislative Services Division is acting in the limited role of facilitator in this process. All transactions are between the legislator and you.
