

Future Fisheries Review Panel

Statutory Citation: Section 87-1-273, MCA

The Future Fisheries Review Panel is responsible for assisting the Montana Department of Fish, Wildlife, and Parks in reviewing projects submitted by public or private entities for funding, and determining which projects are appropriate for inclusion in the Future Fisheries Improvement Program.

The Speaker of the House and the Senate Committee on Committees each choose one member to serve on the Panel. Eleven other members, representing the interests listed below, are appointed by the Governor. The Panel is required to meet at least once every six months.

The panel is composed of:

- two legislators,
- a representative of conservation districts,
- a representative with expertise in commercial agriculture,
- a representative with expertise in irrigated agriculture,
- a private fisheries restoration professional,
- two members who are licensed Montana anglers,
- a representative with expertise in silviculture,
- a Montana high school student,
- a representative with expertise in mining reclamation techniques,
- a representative with expertise in fisheries, and
- one ex officio member from the Montana Department of Transportation who has experience in highway impacts mitigation.

The Future Fisheries Improvement Program terminates July 1, 2009.
