

FIREWISE COMMUNITIES WORKSHOP

January 30 or 31, 2004 – 8:00 to 5:00

City County Administration Building, Rm 300

316 N. Park Helena, MT

Over 7,000 structures have been burned by wildfires in the USA since the 2000 wildfire season. Firefighters have been doing all they can to protect homes and lives, but they **need your help!** Join us for one of these FIREWISE workshops to learn how you can become part of the effort to protect your homes, your communities and families from wildfires.

Take part in either of these valuable **one-day sessions** to learn the basic techniques that can **protect existing communities** or **develop new communities** that can stand up to wildfire!

Fees: Cost for the workshop is \$5.00, which includes lunch on-site. Fee is non-refundable, unless day session is canceled. Minimum of 20 attendees per day session required. Continuing education units may apply

Registration: Complete the bottom portion of this form and submit with your payment. **Register early; space is limited!** Mail payment and registration form by **Jan. 16th** to:

TRICO Fire Working Group, 221 Breckenridge, Helena, MT 59601

ATTN: Pat McKelvey or Email registration to mckelvey@co.lewis-clark.mt.us
