Sen. Dan McGee
Chairman
Energy Policy Subcommittee, Environmental Quality Council

Dear Senator McGee:

As chairman of the Energy and Telecommunications Interim Committee (ETIC), I wanted to share a copy of that committee's adopted work plan with you. I encourage you to review the work plan and to peruse the ETIC website. The committee's website has extensive information on energy issues, including bankruptcy. To view the website, type "<http://leg.state.mt.us>," click on "Committees," then click on "Interim" and follow the links.

Please feel free to give me a call at (406) 323-3341 if you would like to talk about the ETIC's activities. In addition, Mary Vandenbosch (444-5367 or mvandenbosch@state.mt.us) would be happy to provide you with any information that the committee has received.

Sincerely,

Rep. Alan Olson/mv
