

To: Economic Affairs Interim Committee
From Bart Campbell, Staff Attorney
Re: Agency Rules

Issue 14

Dept. Labor and Industry

- #1 24.17.127 Adoption of standard prevailing wage -- in building construction
- #2 24.29.1409 Travel expense reimbursement -- in work comp when travel is at request of insurer.
- #3 24.30.102 OSHA for public sector employment -- conform with federal rules

Issue 15

State Auditor

- #1 New Rules I through XV -- implements the small employer health insurance purchasing pool and tax credits and premium assistance program

Dept. of Commerce

14.4.101 through 14.4.106 -- workforce training grant -- transferring the grant review committee from the Governor's office to the department and updating rules to reflect changes in the law

Board of nursing home administrators

- #1 Fee schedule -- raising applicant and license fees to be commensurate with costs

Board of livestock

- #1 Diagnostic laboratory fees -- reformatting rule into chart form and increasing diagnostic fees to reflect increased cost of providing those services

Issue 16

Agriculture development council

- #1 4.16.303 Application procedures for a seed capital project loan -- reducing time for application review and approval from 6 months to 3 months
- #2 14.6.701 Agriculture marketing and business development program -- amended to include business development as eligible area of investment participation for council
- #3 New rule I Application procedures for an agricultural marketing and business development investment

Economic Affairs Committee Meeting
September 9, 2005

Exhibit #17

State Auditor

Amending 6.6.504 through 6.6.521, 6.6608, 612, and 613, and new rules I through III -- amending and adopting rules to comply with changes in federal regulations pursuant to the medicare modernization act of 2003

Community development division of Dept. of Commerce

#1New rule I -- Incorporation by reference of rules governing the submission and review of applications for funding under the treasure state endowment program

Board of outfitters

Transferring all rules from department of commerce (title 8) to department of labor (title 24) and renumbering all existing rules and repealing old rules and adopting new rules as part of the process.

Department of Labor and Industry

Amending 24.29.4301, 4303, 4314, 4321, 4332, and 24.29.4335 all related to the workers' compensation reporting database -- changing necessary to conform with the International Association of Industrial Accident Boards and Commissions' efforts to nationally standardize electronic reporting of workers' compensation data, kn own as electronic data interchange
