

~ Initial Bibliography ~  
SJR 36

- [B] Yoder, Thomas and Gurney, Brian, *Reducing Market Barriers to Small-Scale Distributed Generation in Montana*, Montana State University-Billings, MT, prepared for the Montana Department of Environmental Quality, June, 2004.
- [D] *Distributed Generation*, Department of Biology, University of Montana, Missoula, MT, no date provided.
- [E] Yoder, Thomas and Gurney, Brian, *Reducing Regulatory Barriers to Small-Scale Distributed Generation in Montana*, Montana State University-Billings, MT, prepared for the Montana Department of Environmental Quality, May, 2004.
- [G] Brendan, Kirby and Lenssen, Nicholas, *Shifting the Balance of Power: Grid Interconnection of Distributed Generation*, E. Source, The Distributed Energy Series, Boulder, CO, October, 1999.
- [H] Castro, Robert, *DG Islanding Rescue*, Distributed Energy: The Journal for Onsite Power Solutions, Santa Barbara, CA, March/April 2005.
- [I] Ryan, Dave, National Center for Appropriate Technology, remarks given at the Governor's Symposium on Montana's Energy Future, Bozeman, MT, October 2005.
- [J] Ryan, Dave, National Center for Appropriate Technology, *Distributed Generation: Benefits and Barriers*, presentation given at the Governor's Symposium on Montana's Energy Future, Bozeman, MT, October 2005.
- [K] Bronec, Jasen, Glacier Electric Cooperative and the Montana Electric Cooperatives Association, presentation given at the Governor's Symposium on Montana's Energy Future, Bozeman, MT, October 2005.
- [L] Vowels, Mira, Bonneville Power Administration, *Fuel Cell Benefits and Challenges*, presentation given at the Governor's Symposium on Montana's Energy Future, Bozeman, MT, October 2005.
- [M] Brensdal, Georgia, Montana Department of Environmental Quality, *Combined Heat and Power*, presentation given at a public forum in the Montana State Capitol, Helena, MT, November, 2005.
- [N] Bronec, Jasen, of Glacier Electric Cooperative and the Montana Electric Cooperatives Association, *Distributed Generation: Tackling the Issues*, presentation given at a public forum in the Montana State Capitol, Helena, MT, November, 2005.

- [O] Yoder, Thomas, *Electricity Policy and Economic Development*, Montana State University-Billings, MT, October, 20092.
- [P] Brown, Elizabeth, et. al., *State Opportunities for Action: Review of States' Combined Heat and Power Activities*, Report No. IE022, American Council for an Energy Efficient Economy, Washington, D.C., September 2002.
- [Q] Author's conversation with representative of NorthWestern Energy, Helena, MT, November, 2005.
- [R] *Distributed Generation Facts*, Consumer Energy Council of America, Washington, D.C.
- [S] *Distributed Generation and Solar Energy*, SolarBuzz, San Francisco, CA, January, 2004.
- [T] Yoder, Thomas and Gurney, Brian, State, *Utility, and Local Distributed Generation Incentives Matrix*, Montana State University-Billings, prepared for the U.S. Department of Energy, June 2004.
