

**Status of efforts
to formulate draft legislation for enhanced wireless 9-1-1**

The 911 Advisory Council met on September 14 in a legislative review work session to formulate draft legislation for Wireless 911. The members reviewed a proposed scope / outline to consider for the next meeting set for October 18. The agenda for the October 18 meeting will include:

1. 911 legislative history
2. Presentation from a wireless service provider
3. Gather current statutes and funding information from other states especially west of the Mississippi
4. Determine level of participation in our process from the Governor's Office and Department of Administration.
5. Provide info current funding

Most of the discussion was a brainstorming and sharing of information. The October 18 meeting will provide a more structured and substantive agenda.
