ETIC meeting planned for Colstrip canceled due to Special Session

HELENA -- The Energy and Telecommunications Interim Committee meeting planned for September 6-7, 2007 in Colstrip has been canceled.

On Monday, Aug. 27, Governor Brian Schweitzer issued the call for a special session of the 60th Legislature to convene September 5 at 8 a.m. in Helena. Because of uncertainty about the length of the special session, ETIC Chairman Klock canceled the interim meeting planned for Colstrip. At this time a new meeting date for the ETIC has not been established.

As additional meeting dates are discussed, information will be posted on the committee's Website at http://leg.mt.gov/css/committees/interim/2007_2008/energy_telecom/default.asp
