*Statutory Citation: Sections 2-15-1019 and 39-71-2313, MCA*

The State Compensation Insurance Fund (State Fund) is a nonprofit, independent public corporation established for the purpose of allowing an option for employers to insure their liability for workers' compensation and occupational disease coverage. The Board of Directors of the State Fund helps insure that the fund remains financially solvent.

## Membership

The board consists of seven members appointed by the Governor. The Executive Director of the State Fund is an ex officio nonvoting member. At least four members must represent State Fund policyholders and at least four members must represent private, for-profit enterprises. One of the seven members may be a licensed insurance producer.

The Presiding Officer of the Economic Affairs Interim Committee appoints two members from the Committee, one from the majority party and one from the minority party, to serve as liaisons to the Board. Legislative liaisons serve from appointment through each even-numbered calendar year and may attend Board meetings and receive Board meeting agendas and information.
