RE: EQC Administrative Rule Review
DATE: August 2012

I. EQC Rule Review

The EQC plays a significant role in the administrative rulemaking process and is required to review administrative rules from several agencies. As part of this process, legal staff for the EQC notifies the EQC of proposed, amended, or repealed administrative rules and of any concerns regarding the rulemaking process.

The EQC is responsible for reviewing administrative rules from the following agencies:

- Department of Environmental Quality (DEQ)
- Department of Fish, Wildlife, and Parks (FWP)
- Department of Natural Resources and Conservation (DNRC)

The EQC is also responsible for reviewing administrative rules from the entities and boards administratively attached to these agencies, including the following:

- Board of Environmental Review
- Board of Oil and Gas Conservation
- Fish, Wildlife, and Parks Commission

There are several possibilities for EQC involvement in the rulemaking process. The EQC may take one or any combination of the following actions:

- Request an agency's rulemaking records for checking compliance with MAPA. Section 2-4-402(2)(a), MCA.
- Prepare written recommendations for the adoption, amendment, or rejection of a rule and submit those recommendations to the agency proposing the rule and submit oral or written testimony at a rulemaking hearing. Section 2-4-402(2)(b), MCA.
- Require that a rulemaking hearing be held in accordance with the provisions of sections 2-4-302 through 2-4-305, MCA. Section 2-4-402(2)(c), MCA.
- Institute, intervene in, or otherwise participate in proceedings involving Title 2, chapter 4, MCA, in state and federal court and before administrative agencies. Section 2-4-402(2)(d), MCA.

- Review the incidence and conduct of administrative proceedings. Section 2-4-402(2)(e), MCA.
- Poll the Legislature by mail to determine whether a proposed rule is consistent with the intent of the Legislature. The results of the poll are admissible in any court proceeding involving the validity of the proposed or adopted rule. Sections 2-4-403 and 2-4-404, MCA.
- Require an economic impact statement relating to the adoption of a rule. Section 2-4-405, MCA.
- Object to all or some portion of a proposed or adopted rule and delay the adoption of the rule for 6 months or delay the effective date of the rule until the day after final adjournment of the next legislative session. Sections 2-4-305(9), 2-4-306(4)(c), and 2-4-406(4), MCA.
- Recommend a rule adoption or change. Section 2-4-411, MCA.
