*Explain all "yes" answers in narrative form.

5. A road is located on the east section line. A little over 1/4 mile of old road that lies along the east edge of the S 1/2 SE 1/4 will be upgraded to an all weather road. 6. A well is located on the golf course but will not be impacted by the road upgrading. 7. Some of the soils east of the old road are sandy loams subject to some wind erosion. 8. A new club house is located on the S 1/2 SE 1/4, but the road upgrading will not affect water or electric supply to the club house facilities. 9. Past studies by DSH personnel when the golf course was updated with DSH funds. 15. The general public from Sobey and surrounding communities use the golf course and facilities. The road upgrading will not affect this activity.
