RE: Town of Ekalaka – Section 29 and 32, Township 2 North, Range 58 East

Dear Whom it May Concern,

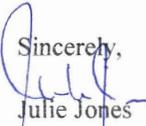

The Town of Ekalaka was awarded \$500,000 by the Montana Department of Commerce Community Development Block Grant (CDBG) for funding to implement a multicomponent housing program. All project activities will occur within the jurisdictional boundary of the Town of Ekalaka.

This project consists of two components. The first component is to provide rehabilitation assistance to twenty owner occupied homes in the jurisdictional limits of Ekalaka. The second component is to demolish 10 vacant dilapidated structures.

Double-Tree, Inc. is presently in the process of conducting an Environmental Review for this project. We would like to request comments and clearance from your office regarding the impact of this project, if any.

Thank you for your attention and response. Please feel free to contact me if you have any questions. If we do not receive correspondence from your office within 30 days from the date of this letter, I will assume you have no further comment on this matter.

Sincerely,

Julie Jones
