

DEQ OPENCUT MINING PROGRAM
SUPPLEMENTAL ENVIRONMENTAL ASSESSMENT

Proponent: James Carney Construction

Site: Carney-Webb

Legal: SWSE6, SESW6, T30N, R30E

County: Phillips

Approved Permit and Amendment #'s: JCC-004

Type and Purpose of Action: Operator has applied for an amendment to add 4.1 acres to their 4-acre permit for a total of 8.1 acres permitted.

Site Description: The amendment area has already been disturbed. It consisted of an extension of the site into a dryland bench. There are no extraordinary features on or around the site. The site is in a remote location near the landowner's homestead and out buildings.

Potential Impacts and Mitigation: The amendment area will not cause substantial impacts on the physical environment or human population. Proponent will be legally bound by their permit to reclaim the site. The 2004 Environmental Assessment is applicable to this action.
