

DEQ OPENCUT MINING PROGRAM
SUPPLEMENTAL ENVIRONMENTAL ASSESSMENT

Proponent: Schellinger Construction, Inc.

Site: Galt

Legal: Section 19, T8N, R7E

County: Meagher

Approved Permit and Amendment #'s: SCI-062

Type and Purpose of Action: Operator has applied for an amendment to add 2 acres to their 81-acre permit for a total of 83 acres permitted.

Site Description: The amendment area has already been disturbed. It consists of an access road by the southwest corner of the site. Schellinger upgraded a preexisting access road at this location. There are no extraordinary features on or around the site. The access road site does not increase off-site impacts in the area. There are no nearby residences.

Potential Impacts and Mitigation: The amendment area will not cause substantial impacts on the physical environment or human population. Proponent will be legally bound by their permit to reclaim the site. The 2005 Environmental Assessment is applicable to this action.
