NWTF Environmental Assessment Reviewer Form

MDA Reviewer	Area of Concern	Mitigation	More information requested	Requested information received	Potential Impact on Environment	Date Approved	Comments
Tonda Moon	Fish & Wildlife Habitat	Acceptable	Yes: <input checked="" type="checkbox"/> No: <input type="checkbox"/> Date: 2/13/06	Date: 2/17/06	Moderate	2/17/06	EXCELLENT mitigation, except it did not address potential sedimentation impacts on aquatic spp. The additional mitigation provided is minimal, but acceptable.
Tonda Moon	Air Quality	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Minor	2/17/06	Adequate mitigation.
Rick Mulder	Surface & Groundwater	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Moderate	2/21/06	Abundant shallow ground water and surface water within project area makes it vulnerable to impacts. Mitigation should lessen potential impacts and must be followed.
Rick Mulder	Soils	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Minor	2/21/06	See above.
Amy Bamber	Threatened & Endangered Species	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Minor	2/22/06	Add comment--the grant reads that posting will occur on public access land for at least 2 weeks after treatment. It is considered a good practice to post for the REI on the label, a few days extra is fine, but weeks is too long. The posting loses its timeliness and effectiveness.
Dave Burch	General Vegetation Type	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Moderate	1/30/06	Mitigation is appropriate and non-target vegetation damage should be minimal.
Dave Burch	Demands on Water, Air, and Energy	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Minor	1/30/06	Mitigation was acceptable.

Kim Johnson	Aesthetic Values	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Minor	2/28/06	Mitigation is acceptable.
Kim Johnson	Historical & Archeological Sites	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	None	2/28/06	Mitigation is acceptable.
