If they are not applying weed control along a creek etc., they need to tell me. Mitigations efforts updated and are acceptable. 2/22/06
Tonda Moon	Air Quality	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Minor	2/21/06	Mitigation adequate.
Rick Mulder	Surface & Groundwater	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Minor	2/8/06	Mitigation is acceptable.
Rick Mulder	Soils	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Moderate	2/8/06	Mitigation is acceptable. Caution must be used with sandy soils in the area.
Amy Bamber	Threatened & Endangered Species	Acceptable	Yes: <input type="checkbox"/> No: <input checked="" type="checkbox"/> Date:	Date:	Moderate	2/23/06	The tes section has room for improvement. The plant species of concern in the area are assoc. with either wetland or sand dune habitats, therefore I do not anticipate any major threats from weed control. Many birds use this area and are of concern.
