

**DEQ OPENCUT MINING PROGRAM**  
**SUPPLEMENTAL ENVIRONMENTAL ASSESSMENT**

**Proponent:** JDL Construction, Co.

**Site:** JDL Site

**Legal:** Sec. 35, T4S, R5W

**County:** Madison

**Permit No:** JDL-001

**Proposed Amendment #:** Amendment # 5

**Type and Purpose of Action:** Operator has applied to add 21.85 acres to the permit area for use as facilities and stockpile areas. The new areas are adjacent to the existing site and would increase the total permitted area to 38.4 acres. The revised Plan of Operation dated 9/16/08 is applicable to the amended permit area. The bond amount of \$48,388 is sufficient for the permit area.

**Potential Impacts and Mitigation:** The amendment area will not cause significant impacts on the physical environment or human population. Proponent will be legally bound by his permit to reclaim the site. The 1999 Environmental Assessment remains applicable to this action.
