

**ENVIRONMENTAL ASSESSMENT FOR MINOR REVISION
COAL AND URANIUM PROGRAM
MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY**

COMPANY NAME: Spring Creek Coal, LLC

DATE: January 6, 2012

PERMIT#: C1979012

REVISION NO: MR162

LOCATION: Pit 2 East

Type and Purpose of Action:

SCC seeks approval to designate an area within the Pit 2 disturbance as an equipment storage area.

Potential Impacts and Mitigation Measures:

The revision is largely administrative in nature, so has negligible environmental impact.

Alternative Actions:

No alternatives were considered.
