2001 biennium. Funding for the projects is contained in House Bill No. 14 and subsection (1) of this section. The total project cost and the authorized funding for each project are as follows:

(i) \$9,375,000 for the women's prison expansion in Billings, funded by \$2,900,000 of general obligation bond proceeds authorized in House Bill No. 14 and by \$6,475,000 of federal funds appropriated in subsection (1) of this section;

(ii) \$2,225,000 for completing the Pine Hills youth correctional facility in Miles City, funded from general obligation bond proceeds authorized in House Bill No. 14;

(iii) \$6,050,000 to construct a reception unit at Montana state prison in Deer Lodge, funded by \$550,000 of general obligation bond proceeds authorized in House Bill No. 14 and by \$5,500,000 of federal funds appropriated in subsection (1) of this section; and

(iv) \$3,000,000 for security improvements and expanding the Wallace building at Montana state prison in Deer Lodge, funded from general obligation bond proceeds authorized in House Bill No. 14.

(b) The 56th legislature notes that approximately \$8,714,600 of federal department of justice funds are anticipated to become available for capital construction projects for the department of corrections in the 2001 biennium. It is the intent of the 56th legislature that the federal funds be used in lieu of general obligation bond authority to the maximum extent possible. It is further the intent of the 56th legislature that the priority for using these federal funds is:

(i) up to \$6,475,000 for the women's prison expansion project, line-itemed in subsection (1);

(ii) up to \$5,500,000 for the construction of the reception unit at Montana state prison, line-itemed in subsection (1);

(iv) up to \$3,000,000 for the security improvements and Wallace expansion project at Montana state prison, line-itemed in House Bill No. 14.

(5) The 56th legislature authorizes the construction of the rural technology education center at western Montana college of the university of Montana at a total project cost of \$4,520,000. Subsection (1) of this section contains \$350,000 in other revenue authority for this project, and House Bill No. 14 contains \$4,170,000 in general obligation bond authority for this project. In the event that other additional funds become available for this project during its construction, the general obligation bond authority in House Bill No. 14 must be reduced by a like amount and other revenue authority is increased by a like amount in subsection (1) of this section for the same purpose."
