

AN ACT APPROPRIATING MONEY TO THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION FOR GRANTS FOR DESIGNATED PROJECTS UNDER THE RECLAMATION AND DEVELOPMENT GRANTS PROGRAM; PRIORITIZING GRANTS AND AMOUNTS; ESTABLISHING CONDITIONS FOR GRANTS; AMENDING SECTION 2, CHAPTER 419, LAWS OF 1999, AND SECTION 2, CHAPTER 232, LAWS OF 2001; AND PROVIDING AN EFFECTIVE DATE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Appropriations for reclamation and development grants. (1) The amount of \$2,400,000 is appropriated to the department of natural resources and conservation from the reclamation and development grants special revenue account from funds allocated for appropriation from the interest income of the resource indemnity trust fund as set forth in Title 15, chapter 38.

(2) The funds appropriated in this section must be awarded by the department to the entities listed in [section 2] for the prescribed purposes and in the prescribed grant amounts, subject to the conditions provided in [sections 2 through 4].

Section 2. Approved grant projects. (1) The legislature approves the grants listed in subsection (2), to be made in the order of priority as indicated within the following list of projects and activities. If the conditions in [sections 3 and 4] are met, funds must be awarded up to the amounts approved in this section in order of priority until available funds are expended. Funds not accepted by grantees or funds not used by higher-ranked projects and activities must be provided for projects and activities lower on the priority list that would otherwise not receive funding. Descriptions of the various projects and activities and specific conditions established for each project and activity are contained within the department of natural resources and conservation's reclamation and development grants program report to the 58th legislature for the 2005 biennium.

(3) To the entities listed in this section, this appropriation constitutes a valid obligation of these funds for purposes of encumbering the funds within the 2005 biennium pursuant to 17-7-302.

Section 3. Coordination of fund sources for grants program projects. A sponsor of a grants program project who has applied for a grant for that project under both the reclamation and development grants program and the renewable resource grant and loan program may not receive duplicate funding.

Section 4. Condition of grants. Disbursement of grant funds under [sections 1 through 5] is subject to the following conditions that must be met by the project sponsor:

(1) A scope of work and budget for the project must be approved by the department of natural resources and conservation. Reduction in a scope of work or budget may not affect priority activities or improvements.

(2) Other funds required for project completion must have been committed, and the commitment must be documented.

(3) The project sponsor shall show satisfactory completion of conditions described in the recommendation section of the project narrative of the reclamation and development grants program report to the legislature for the 2005 biennium.

(4) An agreement between the department and the project sponsor must be executed in a timely manner, taking into consideration any changed conditions or circumstances that govern the administration and disbursement of funds.

(5) Any other specific requirements considered necessary by the department must be met to accomplish the purpose of the grant as evidenced from the application to the department or as defined by the legislature.

Section 5. Other appropriations. There is appropriated to any entity of state government that receives a grant under [sections 1 through 4] the amount of the grant upon award of the grant by the department of natural resources and conservation. Grants to state entities from a prior biennium are reauthorized for completion of contract work.

Section 6. Section 2, Chapter 419, Laws of 1999, is amended to read:

"Section 2. Approved grant projects. (1) The legislature approves the grants listed in subsection (2), to be made in the order of priority as indicated within the following list of projects and activities. If the conditions in [sections 3 and 4] are met, funds must be awarded up to the amounts approved in this section in order of priority until available funds are expended. Funds not accepted by grantees or funds not used by higher-ranked projects and activities must be provided for projects and activities lower on the priority list that would otherwise

not receive funding.
