**Section 2.** Section 75-10-621, MCA, is amended to read:

**"75-10-621. Hazardous waste/CERCLA special revenue account.** (1) There is a hazardous waste/CERCLA special revenue account within the state special revenue fund established in 17-2-102.

(2) There must be paid into the hazardous waste/CERCLA account:

(a) revenue obtained from the interest income of the resource indemnity trust fund under the provisions of 15-38-202, together with interest accruing on that revenue;

(b) all proceeds of bonds or notes issued under 75-10-623 and all interest earned on proceeds of the bonds or notes; and

(c) revenue from penalties or damages collected under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended in 1986 (CERCLA).

(3) Appropriations may be made from the hazardous waste/CERCLA account only for the following purposes and subject to the following conditions:

~~(a) funds are statutorily appropriated, as provided in 17-7-502(4), to the CERCLA match debt service account necessary to make principal, interest, and premium payments due on CERCLA bonds;~~

~~(b)~~(a) not more than one-half of the interest income received for any biennium from the resource indemnity trust fund may be appropriated on a biennial basis for:

(i) implementation of the Montana Hazardous Waste Act, including regulation of underground storage tanks and the state share to obtain matching federal funds;

(ii) implementation of Title 75, chapter 10, part 6, pertaining to state assistance to and cooperation with the federal government for remedial action under CERCLA;

(iii) expenses of the department in administering and overseeing the implementation of Title 75, chapter 10, parts 4 and 6; and

(iv) state expenses relating to investigation and remedial action for any hazardous substance defined in 75-10-602; and

~~(e)~~(b) to the extent funds are available after the appropriations in ~~subsections~~ subsection (3)(a) ~~and~~

~~(3)(b)~~, the department may, as appropriate, seek authorization from the legislature or, when the legislature is not in session, through the budget amendment process provided for in Title 17, chapter 7, part 4, to spend funds for:

- (i) state participation in remedial action under section 104 of CERCLA;
- (ii) state costs for maintenance of sites at which remedial action under CERCLA has been completed;

and

- (iii) the state share to obtain matching federal funds for underground storage tank corrective action.

(4) For the purposes of subsection ~~(3)(e)~~ (3)(b), the legislature finds that a need for state special revenue to obtain matching federal funds for underground storage tank corrective action or for remedial action under section 104 of CERCLA constitutes a serious unforeseen and unanticipated circumstance for the purpose of meeting the definition of "emergency" in 17-7-102. The legislature further finds that the inability of the department to match the federal funds as the funds become available would seriously impair the functions of the department in carrying out its responsibilities under Title 75, chapter 10, parts 4 and 6.

(5) There is no dollar limit to the hazardous waste/CERCLA account. Unused balances remain in the account until appropriated by the legislature for the purposes specified in this section."

(2) The state pledges, allocates, and directs to be credited to the CERCLA match debt service fund ~~as received an amount necessary to satisfy principal and interest payments due on outstanding CERCLA bonds~~ money from the resource indemnity and ground water assessment tax, as provided in 15-38-106, and from the CERCLA cost recovery account, as provided in [section 5].

(3) Money in the CERCLA match debt service fund is statutorily appropriated, as provided in 17-7-502(4)."

**Section 4.** Section 75-10-623, MCA, is amended to read:

**"75-10-623. CERCLA bonds.** (1) When authorized by the legislature and within limits of the authorization and the further limitations established in this section, the board of examiners may issue and sell CERCLA bonds of the state in the amount and manner it considers necessary and proper to ~~finance the match requirements~~ fund state participation in remedial action under section 104 of CERCLA, as amended, state costs

for maintenance of sites at which remedial action under CERCLA has been completed, the state share required to obtain matching federal funds and to finance the match requirements for federal money for underground storage tank corrective action, and costs of issuing the bonds or notes. The full faith and credit and taxing powers of the state are pledged for the prompt and full payment of all bonds issued and interest and redemption premiums payable on the bonds according to their terms.

(2) Each series of CERCLA bonds may be issued by the board of examiners upon request of the department of environmental quality, at public or private sale, in the denominations and forms, whether payable to bearer with attached interest coupons or registered as to principal or as to both principal and interest, with provisions for conversion or exchange and for the issuance of notes in anticipation of the issuance of definitive bonds, bearing interest at a rate or rates, maturing at a rate or rates, maturing at the time or times not exceeding 30 years from date of issue, subject to optional or mandatory redemption at earlier times and prices and upon notice, with provisions for payment and discharge by the deposit of funds or securities in escrow for that purpose, and payable at the office of the banking institution or institutions within or outside the state, as the board of examiners determines, subject to the limitations contained in 17-5-731 and this section.

(3) In the issuance of each series of CERCLA bonds, the interest rates, maturities, and any mandatory redemption provisions of the bonds must be established in a manner that the funds then specifically pledged and appropriated by law to the CERCLA match debt service fund will, in the judgment of the board of examiners, be received in an amount sufficient in each year to pay all principal, redemption premiums, and interest due and payable in that year with respect to that and all prior series of the bonds, except outstanding bonds as to which the obligation of the state has been discharged by the deposit of funds or securities sufficient for their payment in accordance with the terms of the resolutions by which they are authorized to be issued.

(4) In all other respects, the board of examiners is authorized to prescribe the form and terms of the bonds and notes and shall do whatever is lawful and necessary for their issuance and payment. The bonds, notes, and any interest coupons appurtenant to the bonds and notes must be signed by the members of the board of examiners, and the bonds and notes must be issued under the great seal of the state of Montana. The bonds, notes, and coupons may be executed with facsimile signatures and seal in the manner and subject to the limitations prescribed by law. The state treasurer shall keep a record of all the bonds and notes issued and sold.

(5) All proceeds of bonds or notes issued under this section must be deposited in the hazardous waste/CERCLA special revenue account established in 75-10-621.

(6) All actions taken by the board of examiners under this section must be authorized by a vote of a

majority of the members."

**Section 5. CERCLA cost recovery account.** (1) There is a CERCLA cost recovery special revenue account in the state special revenue fund established in 17-2-102.

(2) There must be deposited in the CERCLA cost recovery account amounts obtained by the department through cost recovery under CERCLA for costs paid, in whole or in part, with the proceeds of CERCLA bonds authorized in 75-10-623, together with interest on the proceeds.

(3) (a) Money in the CERCLA cost recovery account must be transferred to the CERCLA match debt service fund in each fiscal year in an amount then available, but not to exceed the amount necessary to pay the principal of, premium, if any, and interest on the bonds and notes issued pursuant to 75-10-623 to become due in the next fiscal year, or as appropriate, to pay the redemption price of the bonds or notes.

(b) Money in the CERCLA cost recovery account, including interest on the money in the account, that is not transferred to the CERCLA match debt service fund must be retained in the CERCLA cost recovery account as long as any principal of, premium, if any, or interest on the CERCLA bonds or notes authorized in 75-10-623, the proceeds of which were applied, in whole or in part, to costs associated with the cost recovery, remains unpaid or the payment of the costs associated with cost recovery has not been provided for in a manner that would cause the defeasance of bonds.

**Section 6. Codification instruction.** [Section 5] is intended to be codified as an integral part of Title 75, chapter 10, part 6, and the provisions of Title 75, chapter 10, part 6, apply to [section 5].

**Section 7. Effective date.** [This act] is effective July 1, 2003.
