(2) At the request of either party, the premises may be inspected within 1 week prior to termination of the tenancy.

(3) Cleaning charges may not be imposed for normal maintenance performed on a cyclical basis by the landlord as noted by the landlord at the time that the tenant occupies the space unless the landlord is forced to perform this maintenance because of negligence of the tenant. Additionally, cleaning charges may not be deducted until written notice has been given to the tenant. The notice must include the cleaning not accomplished by the tenant and the additional and type or types of cleaning that need to be done by the tenant to bring the premises back to its condition at the time of its renting. After the delivery of the notice, the tenant has 24 hours to complete the required cleaning. If notice is mailed by certified mail, service of the notice is considered to have been made 3 days after the date of the mailing. A tenant who fails to notify the landlord of the intent to vacate or who vacates the premises without notice relieves the landlord of the requirement of giving notice and allows the landlord to deduct the cleaning charges from the deposit.

(4) A person may not deduct or withhold from the security deposit any amount for purposes other than those set forth in this section."
