(b) For motorcycles, quadricycles, and light vehicles that are permanently registered as provided in 61-3-527 or 61-3-315 and 61-3-562 <u>and vehicles described in 61-3-303(6)</u>, the department shall provide <u>a</u> distinctive nonremovable stickers <u>registration decal</u> indicating that the vehicle is permanently registered. The <u>stickers</u> <u>permanent registration decal</u> must be affixed to the license plates in use <u>rear license plate of the permanently registered vehicle</u>.

(4) (a) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after December 31, 1999, to replace at renewal, as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(b) Beginning January 1, 2000, the department shall manufacture and issue new number plates every

Registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(6) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. (a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(8) Number plates issued to a passenger vehicle, truck, trailer, motorcycle, or quadricycle may be transferred only to a replacement passenger vehicle, truck, trailer, motorcycle, or quadricycle.
