COMMUNICATIONS AND PETITIONS

Petition to the Montana House of Representatives

I hereby petition the Montana House of Representatives to Divide the Question regarding House Bill 74, pursuant to House Rule 50-130.

There are two or more propositions so distinct that they can be separated; to wit;

- (1) The transfer \$93 million from the Coal Severance Tax Trust, and;
- (2) The funding of particular programs.

In dividing the question on House Bill 74 I further petition the Montana House of Representatives to first consider the transfer \$93 million from the Coal Severance Tax Trust and second to consider the program funding. The question of program funding is a substantive question that remains after a determination of a transfer \$93 million from the Coal Severance Tax Trust.

Dated this 24th day of February, 2003

Signed by Representative Gallik, House District 52, Helena

Insert: "BY PROVIDING A REBUTTABLE INFERENCE THAT A PERSON WHO REFUSES A TEST IS UNDER THE INFLUENCE; AND AMENDING SECTION 61-8-404,"

3. Page 1, line 19 through page 8, line 19.
Strike: everything after the enacting clause
Insert: "**Section 1.** Section 61-8-404, MCA, is amended to read:

"61-8-404. Evidence admissible -- conditions of admissibility. (1) Upon the trial of a criminal action or other proceeding arising out of acts alleged to have been committed by a person in violation of 61-8-401, 61-8-406, 61-8-410, or 61-8-805:

(a) evidence of any measured amount or detected presence of alcohol, drugs, or a combination of alcohol and drugs in the person at the time of a test, as shown by an analysis of the person's blood or breath, is admissible. A positive test result does not, in itself, prove that the person was under the influence of a drug or drugs at the time the person was in control of a motor vehicle. A person may not be convicted of a violation of 61-8-401 based upon the presence of a drug or drugs in the person unless some other competent evidence exists that tends to establish that the person was under the influence of a drug or drugs while driving or in actual physical control of a motor vehicle within this state.

(b) a report of the facts and results of one or more tests of a person's blood or breath is admissible in evidence if:

(i) a breath test or preliminary alcohol screening test was performed by a person certified by the forensic

sciences division of the department to administer the test;

(ii) a blood sample was analyzed in a laboratory operated or certified by the department or in a laboratory exempt from certification under the rules of the department and the blood was withdrawn from the person by a person competent to do so under 61-8-405(1);

(c) a report of the facts and results of a physical, psychomotor, or physiological assessment of a person is admissible in evidence if it was made by a person trained by the department or by a person who has received training recognized by the department.

(2) If the person under arrest refused to submit to one or more tests as provided in this section, proof of refusal is admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a vehicle upon the ways of this state open to the public, while under the influence of alcohol, drugs, or a combination of alcohol and drugs. The trier of fact may infer from the refusal that the person was under the influence. The inference is rebuttable.

(3) The provisions of this part do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and drugs."
