

## SENATE BILL NO. 86

INTRODUCED BY T. ZOOK

BY REQUEST OF THE OFFICE OF BUDGET AND PROGRAM PLANNING

A BILL FOR AN ACT ENTITLED: "AN ACT REVISING ACCOUNTING, BUDGETING, AND APPROPRIATION LAWS; CHANGING THE DATE FOR STATE AGENCIES TO ANNUALLY REPORT ACCOUNTING INFORMATION TO THE LEGISLATIVE FINANCE COMMITTEE; CLARIFYING THE CALCULATION OF BALANCED FINANCIAL PLANS THAT REDUCE THE PROPOSED BASE BUDGET FOR AGENCIES WITH MORE THAN 20 FTE; AMENDING SECTIONS 17-2-304 AND 17-7-111, MCA; AND PROVIDING AN EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 17-2-304, MCA, is amended to read:

**"17-2-304. Reports required.** (1) The approving authority for a state agency shall annually report in writing to the legislative finance committee by ~~August 4~~ September 15:

(a) each state agency that had a cash balance in a state charge for services fund contrary to the limitation provided in 17-2-302(1) during the previous 12 months;

(b) the facts certified for each state agency by the approving authority pursuant to 17-2-302(2);

(c) each state agency that has complied with the requirements of 17-2-303 and the circumstances of the agency's compliance; and

(d) each state agency that has not complied with 17-2-303 and the circumstances of the agency's noncompliance.

(2) The director of the department of administration shall report to the legislature at the time and in the manner required by 5-11-210 a list of each local government entity that had a balance in a local charge for services fund contrary to the limitation provided by 17-2-302(1) or that failed to reduce the charge as provided in 17-2-303, or both, during the previous 12 months."

**Section 2.** Section 17-7-111, MCA, is amended to read:

**"17-7-111. Preparation of state budget -- agency program budgets -- form distribution and contents.** (1) (a) To prepare a state budget, the executive branch, the legislature, and the citizens of the state

need information that is consistent and accurate. Necessary information includes detailed disbursements by fund type for each agency and program for the appropriate time period, recommendations for creating a balanced budget, and recommended disbursements and estimated receipts by fund type and fund category.

(b) Subject to the requirements of this chapter, the budget director and the legislative fiscal analyst shall by agreement:

(i) establish necessary standards, formats, and other matters necessary to share information between the agencies and to ensure that information is consistent and accurate for the preparation of the state's budget; and

(ii) provide for the collection and provision of budgetary and financial information that is in addition to or different from the information otherwise required to be provided pursuant to this section.

(2) In the preparation of a state budget, the budget director shall, not later than the date specified in 17-7-112(1), distribute to all agencies the proper forms and instructions necessary for the preparation of budget estimates by the budget director. These forms must be prescribed by the budget director to procure the information required by subsection (3). The forms must be submitted to the budget director by the date provided in 17-7-112(2)(a) or the agency's budget is subject to preparation based upon estimates as provided in 17-7-112(5). The budget director may refuse to accept forms that do not comply with the provisions of this section or the instructions given for completing the forms.

(3) The agency budget request must set forth a balanced financial plan for the agency completing the forms for each fiscal year of the ensuing biennium. The plan must consist of:

(a) a consolidated agency budget summary of funds subject to appropriation or enterprise funds that transfer profits to the general fund or to an account subject to appropriation for the current base budget expenditures, including statutory appropriations, and for each present law adjustment and new proposal request setting forth the aggregate figures of the full-time equivalent personnel positions (FTE) and the budget, showing a balance between the total proposed disbursements and the total anticipated receipts, together with the other means of financing the budget for each fiscal year of the ensuing biennium, contrasted with the corresponding figures for the last completed fiscal year and the fiscal year in progress;

(b) a schedule of the actual and projected receipts, disbursements, and solvency of each fund for the current biennium and estimated for the subsequent biennium;

(c) a statement of the agency mission and a statement of goals and objectives for each program of the agency. The goals and objectives must include, in a concise form, sufficient specific information and quantifiable information to enable the legislature to formulate an appropriations policy regarding the agency and its programs

and to allow a determination, at some future date, on whether the agency has succeeded in attaining its goals and objectives.

(d) actual FTE and disbursements for the completed fiscal year of the current biennium, estimated FTE and disbursements for the current fiscal year, and the agency's request for the ensuing biennium, by program;

(e) actual disbursements for the completed fiscal year of the current biennium, estimated disbursements for the current fiscal year, and the agency's recommendations for the ensuing biennium, by disbursement category;

(f) for only agencies with more than 20 FTE, a plan to reduce the proposed base budget for the general appropriations act and the proposed state pay plan to 95% of the current base budget or lower if directed by the budget director. Each agency plan must include base budget reductions that reflect the required percentage reduction by fund type for the general fund and state special revenue fund types. Exempt from the calculations of the 5% target amounts are legislative audit costs, administratively attached entities that hire their own staff under 2-15-121, and state special revenue accounts that do not transfer their investment earnings or fund balances to the general fund. The plan must include:

(i) a prioritized list of services that would be eliminated or reduced;

(ii) for each service included in the prioritized list, the savings that would result from the elimination or reduction; and

(iii) the consequences or impacts of the proposed elimination or reduction of each service.

(g) a reference for each new information technology proposal stating whether the new proposal is included in the approved agency information technology plan as required in 2-17-523; and

(h) other information the budget director feels is necessary for the preparation of a budget.

(4) The budget director shall prepare and submit to the legislative fiscal analyst in accordance with 17-7-112:

(a) detailed recommendations for the state long-range building program. Each recommendation must be presented by institution, agency, or branch, by funding source, with a description of each proposed project.

(b) a statewide summary of recommendations for information technology projects and new initiatives. Each recommendation must be presented by institution, agency, or branch and by funding source, and recommendations for major new information technology projects must contain the information identified in 2-17-526.

(c) the proposed pay plan schedule for all executive branch employees at the program level by fund, with the specific cost and funding recommendations for each agency. Submission of a pay plan schedule under this

subsection is not an unfair labor practice under 39-31-401.

(d) agency proposals for the use of cultural and aesthetic project grants under Title 22, chapter 2, part 3, the renewable resource grant and loan program under Title 85, chapter 1, part 6, the reclamation and development grants program under Title 90, chapter 2, part 11, and the treasure state endowment program under Title 90, chapter 6, part 7.

(5) The board of regents shall submit, with its budget request for each university unit in accordance with 17-7-112, a report on the university system bonded indebtedness and related finances as provided in this subsection (5). The report must include the following information for each year of the biennium, contrasted with the same information for the last completed fiscal year and the fiscal year in progress:

(a) a schedule of estimated total bonded indebtedness for each university unit by bond indenture;

(b) a schedule of estimated revenue, expenditures, and fund balances by fiscal year for each outstanding bond indenture, clearly delineating the accounts relating to each indenture and the minimum legal funding requirements for each bond indenture; and

(c) a schedule showing the total funds available from each bond indenture and its associated accounts, with a list of commitments and planned expenditures from such accounts, itemized by revenue source and project for each year of the current and ensuing bienniums.

(6) The budget director may not obtain copies of individual income tax records protected under 15-30-303. The department of revenue shall make individual income tax data available by removing names, addresses, occupations, social security numbers, and taxpayer identification numbers. The department of revenue may not alter the data in any other way. The data is subject to the same restrictions on disclosure as are individual income tax returns."

**NEW SECTION. Section 3. Effective date.** [This act] is effective July 1, 2003.
