— (ii) confer any authority to regulate that is not otherwise specifically authorized by law or regulations adopted pursuant to the law.

(b) A governing body may not withhold, WITHHOLD, deny, or impose conditions on, OR IMPOSE CONDITIONS ON any land use approval or other authority to act OR OTHER AUTHORITY TO ACT based solely on compliance with a growth policy adopted pursuant to this chapter."

SECTION 8. SECTION 76-2-201, MCA, IS AMENDED TO READ:

"76-2-201. County zoning authorized. For the purpose of promoting the public health, safety, morals, and general welfare, a board of county commissioners that has adopted a growth policy ~~for the entire jurisdictional~~

area pursuant to chapter 1 is authorized to adopt zoning regulations for all or parts of the jurisdictional area in accordance with the provisions of this part."

SECTION 9. SECTION 76-2-310, MCA, IS AMENDED TO READ:

"76-2-310. Extension of municipal zoning and subdivision regulations beyond municipal boundaries. (1) Except as provided in 76-2-312 and except in locations where a county has adopted zoning or subdivision regulations, a city or town council or other legislative body that has adopted a growth policy pursuant to chapter 1 for the area to be affected by the regulations may extend the application of its zoning or subdivision regulations beyond its limits in any direction subject to the following limits:

- (a) up to 3 miles beyond the limits of a city of the first class as defined in 7-1-4111;
- (b) up to 2 miles beyond the limits of a city of the second class; and
- (c) up to 1 mile beyond the limits of a city or town of the third class.

(2) When two or more noncontiguous cities have boundaries so near to one another as to create an area of potential conflict in the event that all cities concerned should exercise the full powers conferred by 76-2-302, 76-2-311, and this section, then the extension of zoning or subdivision regulations, or both, by these cities must terminate at a boundary line agreed upon by the cities."

SECTION 10. SECTION 76-3-210, MCA, IS AMENDED TO READ:

"76-3-210. Subdivisions exempted from requirement of an environmental assessment. (1) Subdivisions totally within ~~a jurisdictional~~ an area that ~~has adopted~~ is covered by all of the following are considered to be in the public interest and are exempt from the requirement of an environmental assessment:

- (a) a growth policy adopted pursuant to chapter 1;
- (b) zoning regulations pursuant to 76-2-201 or chapter 2, part 3; and
- (c) a strategy for development, maintenance, and replacement of public infrastructure pursuant to 76-1-601.

(2) (a) A planning board established pursuant to chapter 1 may exempt a proposed subdivision within its jurisdictional area from the requirement for completion of any portion of the environmental assessment if:

- (i) the subdivision is proposed in an area for which a growth policy has been adopted pursuant to chapter 1 and the proposed subdivision will be in compliance with the growth policy; or
- (ii) the subdivision will contain fewer than 10 parcels and less than 20 acres.

(b) When an exemption is granted under this subsection (2), the planning board shall prepare and certify

a written statement of the reasons for granting the exemption. A copy of this statement must accompany the preliminary plat of the subdivision when it is submitted for review.

(c) ~~Where~~ If a properly established planning board having jurisdiction does not exist, the governing body may grant exemptions as specified in this subsection (2)."

SECTION 11. SECTION 76-3-504, MCA, IS AMENDED TO READ:

"76-3-504. Subdivision regulations -- contents. (1) The subdivision regulations adopted under this chapter must, at a minimum:

(a) except as provided in 76-3-210, 76-3-509, or 76-3-609(3), require the subdivider to submit to the governing body an environmental assessment as prescribed in 76-3-603;

(b) establish procedures consistent with this chapter for the submission and review of subdivision plats;

(c) prescribe the form and contents of preliminary plats and the documents to accompany final plats;

(d) provide for the identification of areas that, because of natural or human-caused hazards, are unsuitable for subdivision development and prohibit subdivisions in these areas unless the hazards can be eliminated or overcome by approved construction techniques;

(e) prohibit subdivisions for building purposes in areas located within the floodway of a flood of 100-year frequency, as defined by Title 76, chapter 5, or determined to be subject to flooding by the governing body;

(f) prescribe standards for:

(i) the design and arrangement of lots, streets, and roads;

(ii) grading and drainage;

(iii) subject to the provisions of 76-3-511, water supply and sewage and solid waste disposal that, at a minimum, meet the regulations adopted by the department of environmental quality under 76-4-104;

(iv) the location and installation of utilities;

(g) provide procedures for the administration of the park and open-space requirements of this chapter;

(h) provide for the review of preliminary plats by affected public utilities and those agencies of local, state, and federal government having a substantial interest in a proposed subdivision. A utility or agency review may not delay the governing body's action on the plat beyond the time limits specified in this chapter, and the failure of any agency to complete a review of a plat may not be a basis for rejection of the plat by the governing body.

(i) when a subdivision creates parcels with lot sizes averaging less than 5 acres, require the subdivider to:

(i) reserve all or a portion of the appropriation water rights owned by the owner of the land to be

subdivided and transfer the water rights to a single entity for use by landowners within the subdivision who have a legal right to the water and reserve and sever any remaining surface water rights from the land;

(ii) if the land to be subdivided is subject to a contract or interest in a public or private entity formed to provide the use of a water right on the subdivision lots, establish a landowner's water use agreement administered through a single entity that specifies administration and the rights and responsibilities of landowners within the subdivision who have a legal right and access to the water; or

(iii) reserve and sever all surface water rights from the land;

(j) except as provided in this subsection, require the subdivider to establish ditch easements in the subdivision that are in locations of appropriate topographic characteristics and sufficient width, to allow the physical placement and unobstructed maintenance of open ditches or belowground pipelines for the delivery of water for irrigation to persons and lands legally entitled to the water under an appropriated water right or permit of an irrigation district or other private or public entity formed to provide for the use of the water right on the subdivision lots; are a sufficient distance from the centerline of the ditch to allow for construction, repair, maintenance, and inspection of the ditch; and prohibit the placement of structures or the planting of vegetation other than grass within the ditch easement without the written permission of the ditch owner. Establishment of easements pursuant to this subsection (1)(j) is not required if:

(i) the average lot size is 1 acre or less and the subdivider provides for disclosure, in a manner acceptable to the governing body, that adequately notifies potential buyers of lots that are classified as irrigated land and may continue to be assessed for irrigation water delivery even though the water may not be deliverable; or

(ii) the water rights are removed or the process has been initiated to remove the water rights from the subdivided land through an appropriate legal or administrative process and if the removal or intended removal is denoted on the preliminary plat. If removal of water rights is not complete upon filing of the final plat, the subdivider shall provide written notification to prospective buyers of the intent to remove the water right and shall document that intent, when applicable, in agreements and legal documents for related sales transactions.

(k) require the subdivider, unless otherwise provided for under separate written agreement or filed easement, to file and record ditch easements for unobstructed use and maintenance of existing water delivery ditches, pipelines, and facilities in the subdivision that are necessary to convey water through the subdivision to lands adjacent to or beyond the subdivision boundaries in quantities and in a manner that are consistent with historic and legal rights;

~~_____ (l) if the governing body has adopted a growth policy pursuant to chapter 1 of this title, be made in~~

~~accordance with the goals and objectives established in the growth policy that are within the scope of 76-3-501 within 1 year of adoption of the growth policy;~~

(m)(l) require the subdivider to describe, dimension, and show utility easements in the subdivision on the final plat in their true and correct location. The utility easements must be of sufficient width to allow the physical placement and unobstructed maintenance of utility facilities for the provision of utility services within the subdivision.

(2) In order to accomplish the purposes described in 76-3-501, the subdivision regulations adopted under 76-3-509 and this section may include provisions that are consistent with this section that promote cluster development."

SECTION 12. SECTION 76-3-505, MCA, IS AMENDED TO READ:

"76-3-505. Provision for summary review of minor subdivisions. (1) Local subdivision regulations must include procedures for the summary review and approval of subdivision plats containing five or fewer parcels when proper access to all lots is provided, when no land in the subdivision will be dedicated to public use for parks or playgrounds, and when the plats have been approved by the department of environmental quality whenever approval is required by part 1 of chapter 4; however, reasonable local regulations may contain additional requirements for summary approval.

(2) (a) Except when required by local subdivision regulations, proposed subdivisions eligible for summary review under this section that are located entirely within the ~~jurisdictional~~ area covered by a growth policy adopted pursuant to chapter 1 and zoning regulations adopted pursuant to chapter 2, part 2 or 3, are exempt from:

- (i) the requirement to hold a hearing on the preliminary plat pursuant to 76-3-605; and
- (ii) review by the governing body of the criteria in 76-3-608(3)(a).

(b) The governing body shall approve, conditionally approve, or disapprove a proposed subdivision that is eligible for review under this subsection (2) within 35 days of submission of the subdivision application."

SECTION 13. SECTION 76-4-122, MCA, IS AMENDED TO READ:

"76-4-122. Filing or recording of noncomplying plat or certificate of survey prohibited. (1) The county clerk and recorder may not file or record any plat or certificate of survey subject to review under this part showing a subdivision unless it complies with the provisions of this part.

(2) A county clerk and recorder may not accept a subdivision plat or certificate of survey subject to review under this part for filing until one of the following conditions has been met:

(a) the person wishing to file the plat or certificate of survey has obtained approval of the local health officer having jurisdiction and has filed the approval with the reviewing authority and a certificate of subdivision approval has been issued pursuant to 76-4-125 indicating that the reviewing authority has approved the subdivision application and that the subdivision is not subject to a sanitary restriction;

(b) the person wishing to file the plat or certificate of survey has obtained a certificate from the governing body pursuant to 76-4-127 that the subdivision is within ~~a jurisdictional area that has adopted~~ an area covered by a growth policy pursuant to chapter 1 of this title or within a first-class or second-class municipality, as described in 7-1-4111, and will be provided with adequate municipal facilities and adequate storm water drainage; or

(c) the person wishing to file the plat or certificate of survey has placed on the plat or certificate of survey an acknowledged certification that the subdivision is exempt from review under this part. The certification must quote in its entirety the wording of the applicable exemption."

SECTION 14. SECTION 76-4-127, MCA, IS AMENDED TO READ:

"76-4-127. Notice of certification that adequate storm water drainage and adequate municipal facilities will be provided. (1) To qualify for the exemption from review set out in 76-4-125(2)(d), the governing body, as defined in 76-3-103, shall, within 20 days after preliminary plat approval under the Montana Subdivision and Platting Act, send notice of certification to the reviewing authority that a subdivision has been submitted for approval and that adequate storm water drainage and adequate municipal facilities will be provided for the subdivision.

(2) The notice of certification must include the following:

- (a) the name and address of the applicant;
- (b) a copy of the preliminary plat or a final plat when a preliminary plat is not necessary;
- (c) the number of proposed parcels in the subdivision;
- (d) a copy of any applicable zoning ordinances in effect;
- (e) how construction of the sewage disposal and water supply systems or extensions will be financed;
- (f) certification that the subdivision is within ~~a jurisdictional area that has adopted~~ an area covered by a growth policy pursuant to chapter 1 of this title or within a first-class or second-class municipality, as described in 7-1-4111, and a copy of the growth policy, when applicable, if one has not yet been submitted to the reviewing authority;
- (g) the relative location of the subdivision to the city or town;

(h) certification that adequate municipal facilities for the supply of water and disposal of sewage and solid waste are available or will be provided within 1 year after the notice of certification is issued;

(i) if water supply, sewage disposal, or solid waste facilities are not municipally owned, certification from the facility owners that adequate facilities are available; and

(j) certification that the governing body has reviewed and approved plans to ensure adequate storm water drainage."

~~Section 8.~~ Section 76-2-201, MCA, is amended to read:

~~"76-2-201. County zoning authorized.~~ For the purpose of promoting the public health, safety, morals, and general welfare, a board of county commissioners that has adopted a growth policy for the entire jurisdictional area pursuant to chapter 1 is authorized to adopt zoning regulations for all or parts of the jurisdictional area in accordance with the provisions of this part."
