INTRODUCED BY M. COONEY

A BILL FOR AN ACT ENTITLED: "AN ACT PROVIDING THAT EXPOSING A CHILD TO THE CRIMINAL PRODUCTION OR MANUFACTURE OF DANGEROUS DRUGS OR TO THE OPERATION OF AN UNLAWFUL CLANDESTINE LABORATORY CONSTITUTES CHILD ABUSE OR NEGLECT FOR PURPOSES OF THE CHILD ABUSE AND NEGLECT STATUTES; AMENDING SECTION 41-3-102, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 41-3-102, MCA, is amended to read:

**"41-3-102. Definitions.** As used in this chapter, the following definitions apply:

(b) This chapter may not be construed to require or justify a finding of child abuse or neglect for the sole reason that a parent or legal guardian, due to religious beliefs, does not provide adequate health care for a child. However, this chapter may not be construed to limit the administrative or judicial authority of the state to ensure that medical care is provided to the child when there is imminent substantial risk of serious harm to the child.

(5) "Best interests of the child" means the physical, mental, and psychological conditions and needs of the child and any other factor considered by the court to be relevant to the child.

(8) "Concurrent planning" means to work toward reunification of the child with the family while at the same time developing and implementing an alternative permanent plan.

(14) "Parent-child legal relationship" means the legal relationship that exists between a child and the child's birth or adoptive parents, as provided in Title 40, chapter 6, part 2, unless the relationship has been terminated by competent judicial decree as provided in 40-6-234, Title 42, or part 6 of this chapter.

(15) "Permanent placement" means reunification of the child with the child's parent, adoption, placement with a legal guardian, placement with a fit and willing relative, or placement in another planned permanent living arrangement until the child reaches 18 years of age.

(16) "Physical abuse" means an intentional act, an intentional omission, or gross negligence resulting in substantial skin bruising, internal bleeding, substantial injury to skin, subdural hematoma, burns, bone fractures, extreme pain, permanent or temporary disfigurement, impairment of any bodily organ or function, or death.

(22) "Sexual exploitation" means allowing, permitting, or encouraging a child to engage in a prostitution offense, as described in 45-5-601 through 45-5-603, or allowing, permitting, or encouraging sexual abuse of children as described in 45-5-625.

(24) "Treatment plan" means a written agreement between the department and the parent or guardian or a court order that includes action that must be taken to resolve the condition or conduct of the parent or guardian that resulted in the need for protective services for the child. ameliorating or correcting the conditions.

(b) The term does not include the failure to provide treatment, other than appropriate nutrition, hydration, or medication, to an infant when, in the treating physician's or physicians' reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of treatment would:

(A) merely prolong dying;

(B) not be effective in ameliorating or correcting all of the infant's life-threatening conditions; or

(C) otherwise be futile in terms of the survival of the infant; or

(iii) the provision of treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane. For purposes of this subsection (26), "infant" means an infant less than 1 year of age or an infant 1 year of age or older who has been continuously hospitalized since birth, who was born extremely prematurely, or who has a long-term disability. The reference to less than 1 year of age may not be construed to imply that treatment should be changed or discontinued when an infant reaches 1 year of age or to affect or limit any existing protections available under state laws regarding medical neglect of children 1 year of age or older.

(27) "Youth in need of care" means a youth who has been adjudicated or determined, after a hearing, to be or to have been abused, neglected, or abandoned."
