

HOUSE BILL NO. 173
INTRODUCED BY D. CORDIER

A BILL FOR AN ACT ENTITLED: "AN ACT AMENDING THE AGENCY LIQUOR STORE PURCHASE PRICE FORMULA BY SUBSTITUTING THE AMOUNT OF ACTUAL DISCOUNTS FOR LIQUOR CASE SALES FOR THE 1994 WEIGHTED AVERAGE DISCOUNT RATIO FOR LIQUOR CASE SALES FOR ACTUAL DISCOUNTS; AND AMENDING SECTIONS 16-2-101 AND 16-2-201, MCA."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 16-2-101, MCA, is amended to read:

"16-2-101. Establishment and closure of agency liquor stores -- agency franchise agreement -- kinds and prices of liquor. (1) The department shall enter into agency franchise agreements to operate agency liquor stores as the department finds feasible for the wholesale and retail sale of liquor.

(2) (a) The department may from time to time fix the posted prices at which the various classes, varieties, and brands of liquor may be sold, and the posted prices must be the same at all agency liquor stores.

(b) (i) The department shall supply from the state liquor warehouse to agency liquor stores the various classes, varieties, and brands of liquor for resale at the state posted price to persons who hold liquor licenses and to all other persons at the retail price established by the agent.

(ii) (A) According to the ordering and delivery schedule set by the department, an agency liquor store may place a liquor order with the department at its state liquor warehouse in the manner to be established by the department.

(B) The agency liquor store's purchase price is the department's posted price less the agency liquor store's commission ~~rates~~ rate and less the agency liquor store's ~~weighed average discount ratio~~. For purposes of this subsection (2)(b)(ii)(B), for agency liquor stores or employee-operated state liquor stores that were operating on June 30, 1994, the weighted average discount ratio is the ratio between an agency liquor store's or the employee-operated state liquor store's full case discount sales divided by the agency liquor store's or employee-operated state liquor store's gross sales, based on fiscal year 1994 reported sales, times the state discount rate for case lot sales, as provided in 16-2-201, divided by the state discount rate for full case lot sales in effect on June 30, 1994. For all other stores that are placed in service after June 30, 1994, the weighted average discount ratio is the average ratio in fiscal year 1994 for similar sized stores for 1 year of operation. The

~~weighted discount ratio must be computed on the store's first 12 months of operation.~~

(C) All liquor purchased from the state liquor warehouse by an agency liquor store must be paid for within 60 days of the date on which the department invoices the liquor to the agency liquor store.

(c) An agency liquor store may sell table wine at retail for off-premises consumption.

(3) Agency liquor stores may not be located in or adjacent to grocery stores in communities with populations over 3,000.

(4) Agency liquor stores must receive commissions payable as follows:

(a) (i) a 10% commission for agencies in communities with less than 3,000 in population, unless adjusted pursuant to subsection (6); or

(ii) a commission established by competitive bidding unless adjusted pursuant to subsection (6) for agencies in communities with 3,000 or more in population; plus

(b) for agency liquor stores operating under a renewed franchise agreement or that have been operated for at least 3 years under an original franchise agreement, a percentage based upon the total annual dollar volume of sales in the previous fiscal year, as follows:

(i) for agency liquor stores with a volume of sales of \$500,000 or more, ~~0.125% beginning July 1, 2002,~~
~~0.5% beginning July 1, 2003, and 0.875% beginning July 1, 2004;~~

(ii) for agency liquor stores with a volume of sales of less than \$500,000, ~~1.25% beginning July 1, 2002,~~
~~1.25% beginning July 1, 2003, and 1.5% beginning July 1, 2004;~~ or

(iii) for a city with more than one agency liquor store, in lieu of the addition to a commission increase provided in subsection (4)(b)(i) or (4)(b)(ii), for each store in the city, an addition to its commission rate equal to the increase granted the store with the lowest commission rate.

(5) An agency franchise agreement must:

(a) be effective for a 10-year period and must be renewed at the existing commission rate for additional 10-year periods if the requirements of the agency franchise agreement have been satisfactorily performed;

(b) require the agent to maintain comprehensive general liability insurance and liquor liability insurance throughout the term of the agency franchise agreement in an amount established by the department of administration. The insurance policy must:

(i) declare the department as an additional insured; and

(ii) hold the state harmless and agree to defend and indemnify the state in a cause of action arising from or in connection with the agent's negligent acts or activities in the execution and performance of the agency franchise agreement.

(c) provide that upon termination by the department for cause or upon mutual termination, the agent is liable for any outstanding liquor purchase invoices. If payment is not made within the appropriate time, the department may immediately repossess all liquor inventory, wherever located.

(d) specify the reasonable service and space requirements that the agent will provide throughout the term of the agency franchise agreement.

(6) (a) The commission percentage that the department pays the agent under subsection (4)(a) may be reviewed on July 1, 1998, and every succeeding 3 years at the request of either party. If the agent concurs, the department may adjust the commission percentage to be paid during the remaining term of the agency franchise agreement or until the next time the commission percentage is reviewed, if that is sooner than the term of the agency franchise agreement, to a commission percentage that is equal to the average commission percentage being paid agents with similar sales volumes if:

- (i) the agent's commission percentage is less than the average; and
- (ii) all the requirements of the agency franchise agreement have been satisfactorily performed.

(b) The adjusted commission percentage determined under subsection (6)(a) may be greater than the average commission paid agents with similar sales volume:

- (i) if the agent demonstrates that:

(A) the agent has experienced cost increases that are beyond the agent's control, including but not limited to increases in the federally established minimum wage or escalation in prevailing rent; and

(B) the average commission percentage is insufficient to yield net income commensurate with net income experienced before the cost increases occurred; and

(ii) if the department demonstrates that it is unable to indicate adjustments in the requirements specified in the agent's franchise agreement that will eliminate the impact of cost increases.

(7) The liability insurance requirement may be reviewed every 3 years after July 1, 1995, at the request of either the agent or the department. If the agent concurs, the department may adjust the requirements to be effective during the remaining term of the agency franchise agreement if the adjustments adequately protect the state from risks associated with the agent's negligent acts or activities in the execution and performance of the agency franchise agreement. The amount of liability insurance coverage may not be less than the minimum requirements of the department of administration.

(8) (a) The department may terminate an agency franchise agreement if the agent has not satisfactorily performed the requirements of the agency franchise agreement because the agent:

- (i) charges retail prices that are less than the department's posted price for liquor, sells liquor to persons

who hold liquor licenses at less than the posted price, or sells liquor at case discounts greater than the discount provided for in 16-2-201 to persons who hold liquor licenses;

(ii) fails to maintain sufficient liability insurance;

(iii) has not maintained a quantity and variety of product available for sale commensurate with demand, delivery cycle, repayment schedule, mixed case shipments from the department, and the ability to purchase special orders;

(iv) at an agency liquor store located 35 miles or more from the nearest agency liquor store, has operated the agency liquor store in a manner that makes the premises unsanitary or inaccessible for the purpose of making purchases of liquor; or

(v) fails to comply with the express terms of the agency franchise agreement.

(b) The department shall give an agent 30 days' notice of its intent to terminate the agency franchise agreement for cause and specify the unmet requirements. The agent may contest the termination and request a hearing within 30 days of the date of notice. If a hearing is requested, the department shall suspend its termination order until after a final decision has been made pursuant to the Montana Administrative Procedure Act.

(c) In the case of failure to make timely payments to the department for liquor purchased, the department may terminate the agency franchise agreement and immediately repossess any liquor purchased and in the possession of the agent. If an agency franchise agreement is terminated, the agent may contest the termination and request a hearing within 30 days of the department's repossession of the liquor. The agency liquor store shall remain closed until a final decision has been reached following a hearing held pursuant to the Montana Administrative Procedure Act.

(9) An agency franchise agreement may be terminated upon mutual agreement by the agent and the department.

(10) An agent may assign an agency franchise agreement to a person who, upon approval of the department, is named agent in the agency franchise agreement, with the rights, privileges, and responsibilities of the original agent for the remaining term of the agency franchise agreement. The agent shall notify the department of an intent to assign the agency franchise agreement 60 days before the intended effective date of the assignment. The department may not unreasonably withhold approval of an assignment request.

(11) A person or entity may not hold an ownership interest in more than one agency liquor store.

(12) The department shall maintain sufficient inventory in the state warehouse in order to meet a monthly service level of at least 97%."

Section 2. Section 16-2-201, MCA, is amended to read:

"16-2-201. Reduction for quantity sales of liquor. (1) Reduction of 8% of the posted price of liquor sold at the agency liquor store must be made by the department for sales of liquor to any licensee purchasing liquor in unbroken case lots. No other reduction may be made to any other person by the department for quantity sales of liquor. Agency liquor stores must be reimbursed for the department's 8% case discount given to licensees on a monthly basis. Reimbursement must be for the previous month's actual case discounts and must be applied by giving a credit to each store's liquor purchases from the state liquor warehouse.

(2) This section does not prevent an agent from providing purchase discounts or selling liquor to any other person at a price less than the agent's established retail price. However, an agent is prohibited from selling liquor to any person at a price less than the department's posted price."
