(xiii) breast augmentation or reduction."

Section 5. Section 33-30-1014, MCA, is amended to read:

"33-30-1014. Coverage for well-child care. (1) Each disability insurance plan or group disability insurance plan that is delivered, issued for delivery, renewed, extended, or modified in this state by a health service corporation and that provides coverage for a family member of the insured or subscriber must provide coverage for well-child care for children from the moment of birth through 2 years of age. Benefits provided under this coverage are exempt from any deductible provision that may be in force in the plan.

(2) Coverage for well-child care under subsection (1) must include:

(a) a history, physical examination, developmental assessment, anticipatory guidance, and laboratory tests, except as provided in [section 1], according to the schedule of visits adopted under the early and periodic screening, diagnosis, and treatment services program provided for in 53-6-101; and

(b) routine immunizations according to the schedule for immunizations recommended by the immunization practices advisory committee of the U.S. department of health and human services.

(3) Minimum benefits may be limited to one visit payable to one provider for all of the services provided at each visit cited in this section.

(4) This section does not apply to disability income, specified disease, medicare supplement, or hospital indemnity policies.

(5) For purposes of this section:

(a) "well-child care" means the services described in subsection (2) and delivered at the intervals required in that subsection by a physician or a health care professional supervised by a physician; and

(b) "developmental assessment" and "anticipatory guidance" mean the services described in the Guidelines for Health Supervision II, published by the American academy of pediatrics.

(6) When a disability insurance plan or group disability insurance plan issued by a health service corporation provides coverage or benefits to a resident of this state, it is considered to be delivered in this state within the meaning of this section, whether the health service corporation that issued or delivered the policy or certificate is located inside or outside of this state."

Section 6. Section 33-31-102, MCA, is amended to read:

"33-31-102. Definitions. As used in this chapter, unless the context requires otherwise, the following definitions apply:

(1) "Affiliation period" means a period that, under the terms of the health insurance coverage offered by a health maintenance organization, must expire before the health insurance coverage becomes effective.

(2) "Basic health care services" means:

(a) consultative, diagnostic, therapeutic, and referral services by a provider;

(b) inpatient hospital and provider care;

(c) outpatient medical services;

(d) medical treatment and referral services;

(e) accident and sickness services by a provider to each newborn infant of an enrollee pursuant to 33-31-301(3)(e);

(f) care and treatment of mental illness, alcoholism, and drug addiction;

(g) diagnostic laboratory tests, except as provided in [section 1], and diagnostic and therapeutic radiologic services;

(h) preventive health services, including:

(i) immunizations;

(ii) well-child care from birth;

(iii) periodic health evaluations for adults;

(iv) voluntary family planning services;

(v) infertility services; and

(vi) children's eye and ear examinations conducted to determine the need for vision and hearing correction;

(i) minimum mammography examination, as defined in 33-22-132;

(j) outpatient self-management training and education for the treatment of diabetes along with certain diabetic equipment and supplies as provided in 33-22-129; and

(k) treatment and medical foods for inborn errors of metabolism. "Medical foods" and "treatment" have the meanings provided for in 33-22-131.

(3) "Commissioner" means the commissioner of insurance of the state of Montana.

(4) "Enrollee" means a person:

(a) who enrolls in or contracts with a health maintenance organization;

(b) on whose behalf a contract is made with a health maintenance organization to receive health care services; or

(c) on whose behalf the health maintenance organization contracts to receive health care services.

(5) "Evidence of coverage" means a certificate, agreement, policy, or contract issued to an enrollee setting forth the coverage to which the enrollee is entitled.

(6) "Health care services" means:

(a) the services included in furnishing medical or dental care to a person;

(b) the services included in hospitalizing a person;

(c) the services incident to furnishing medical or dental care or hospitalization; or

(d) the services included in furnishing to a person other services for the purpose of preventing, alleviating, curing, or healing illness, injury, or physical disability.

(7) "Health care services agreement" means an agreement for health care services between a health maintenance organization and an enrollee.

(8) "Health maintenance organization" means a person who provides or arranges for basic health care services to enrollees on a prepaid basis, either directly through provider employees or through contractual or other arrangements with a provider or a group of providers. This subsection does not limit methods of provider payments made by health maintenance organizations.

(9) "Insurance producer" means an individual, partnership, or corporation appointed or authorized by a health maintenance organization to solicit applications for health care services agreements on its behalf.

(10) "Person" means:

(a) an individual;
