14. Page 4, line 10.

**Insert:** "NEW SECTION. **Section 7. Regional water projects -- conditions of loans -- appropriation established.** (1) The regional water projects to be funded with proceeds of the bonds authorized in [section 3] are projects for the construction, expansion, or improvement of regional water systems eligible to receive funding under 90-6-715 to the extent determined by the department of natural resources and conservation.

(2) Disbursement of proceeds of the bonds is authorized in [section 3] to pay construction expenses for an eligible regional water project subject to the following conditions, which must be met by the regional water authority or other governmental entity owning the regional water system:

(a) approval of a scope of work and budget for the project by the department of natural resources and conservation. Reductions in a scope of work or budget may not affect priority activities or improvements.

(b) documented commitment of other funds required for project completion.

(3) An appropriation is established for the amount awarded to a regional water project funded pursuant to this section."
