AND 77-1-613, MCA; AND PROVIDING AN EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 17-3-1003, MCA, is amended to read:

"17-3-1003. Support of state institutions. (1) For the support and endowment of each state institution, there is annually and perpetually appropriated, after any deductions made under 77-1-109, ~~Title 77, chapter 1, part 6, and 77-2-362~~, the income from all permanent endowments for the institution and from all land grants as provided by law. All money received or collected in connection with permanent endowments by all higher educational institutions, reformatory, custodial, and penal institutions, state hospitals, and sanitariums, for any purpose, except revenue pledged to secure the payment of principal and interest of obligations incurred for the purchase, construction, equipment, or improvement of facilities at units of the Montana university system and for the refunding of obligations or money that constitutes temporary deposits, all or part of which may be subject to withdrawal or repayment, must be paid to the state treasurer who shall deposit the money to the credit of the proper fund.

(2) Except as provided in subsections (1) and (3), all money received from the investment of grants of a state institution and all money received from the leasing of lands granted to a state institution must be deposited with the state treasurer of Montana for each institution, to the credit of the state special revenue fund.

(3) Except as provided in 77-1-109 and subsection (4) of this section, all money received from the sale of timber from lands granted to a state institution must be deposited to the credit of the permanent trust fund for the support of the institution.

(4) The board of regents shall designate, at least once a biennium, whether the timber sale proceeds from Montana university system lands must be distributed to the beneficiaries or placed in the permanent fund."

Section 2. Section 18-2-107, MCA, is amended to read:

"18-2-107. Deposit of capitol building grant revenue. (1) The state treasurer shall deposit in a capital projects fund all revenue from the capitol building land grant after any deductions made under 77-1-109, ~~Title 77, chapter 1, part 6, and 77-2-362~~.

(2) The funds must be held and dedicated for the purpose of constructing capitol buildings or additions to buildings in accordance with the provisions of section 12 of The Enabling Act."

Section 3. Section 20-9-341, MCA, is amended to read:

"20-9-341. Definition of interest and income money. (1) As Subject to deductions for administrative costs provided for in 77-1-108, as used in this title, the term "interest and income money" means the total of the following revenue, as provided for by Article X, section 5, of the 1972 Montana constitution:

- (a) 95% of the interest received from the investment of the public school fund;
 - (b) 95% of the interest received from the investment of any other school funds held in trust by the state board of land commissioners;
 - (c) 95% of the income received from the leasing of or sale of timber from state school lands ~~after any deductions that may be made under the provisions of Title 77, chapter 1, part 6;~~ and
 - (d) 95% of any other income derived from any other covenant affecting the use of state school lands.
- (2) The remaining 5% of the revenue described in subsections (1)(a) through (1)(d) must be annually credited to the public school fund ~~after any deductions made under 77-1-109.~~"

Section 4. Section 20-9-620, MCA, is amended to read:

"20-9-620. Definition. (1) As used in 20-9-621, 20-9-622, and this section, "distributable revenue" means, except for that portion of revenue described in 20-9-343(4)(a)(ii) and ~~available on or after July 1, 2003, 77-1-607, and 77-1-613~~ 77-1-109, 95% of all revenue from the management of school trust lands and the permanent fund, including timber sale proceeds, lease fees, interest, dividends, and net realized capital gains.

(2) The term does not include mineral royalties or land sale proceeds that are deposited directly in the permanent fund or net unrealized capital gains that remain in the permanent fund until realized."

Section 5. Section 77-1-108, MCA, is amended to read:

"77-1-108. Trust land administration account. (1) As used in this section, for all land trusts managed by the board, except property held pursuant to the Morrill Act of 1862, 7 U.S.C. 301 through 308, and the Morrill Act of 1890, 7 U.S.C. 321 through 328, "distributable revenue" includes:

- (a) except for that portion of revenue described in 20-9-343(4)(a)(ii) and the common school fund, the interest and income received from the investment of the permanent funds less any unrealized gains or losses;
- (b) 95% of all revenue from the management of school trust lands and the common school permanent fund;
- (c) the income received from the leasing, licensing, or other use of state trust lands; and
- (d) subject to 17-3-1003, the proceeds and income from the sale of timber from common school, capitol

land grant, and university system lands.

(2) There is a trust land administration account in the state special revenue fund. Money in the account is available to the department by appropriation and must be used to pay the costs of administering state trust lands pursuant to Titles 2, 75, and 77.

(2)(3) Appropriations from the account for each fiscal year may not exceed the sum of 1 1/8% of the book value balance in the nine permanent funds administered by the department on the first day of January preceding the new biennium and 10% an amount equal to 25% of the revenue deposited gross distributable revenue generated annually from the sum of all land trusts for the last completed fiscal year prior to the legislative session that will appropriate money for the next biennium, except revenue received from:

(a) property held pursuant to the Morrill Act of 1862, 7 U.S.C. 301 through 308, and the Morrill Act of 1890, 7 U.S.C. 321 through 328; and

(b) the forest improvement fee provided for in 77-5-204 in the capitol building land grant trust fund in the last completed fiscal year prior to the new biennium.

(3)(4) Unreserved Except as provided in 17-7-304, unreserved funds remaining in the account at the end of a fiscal year must be transferred to each of the permanent funds distributable revenue funds provided for in 77-1-109 in proportionate shares to each fund's contribution to the account as calculated in 77-1-109(3).

(5) (a) Funds in the trust land administration account may be used only for paying actual direct and indirect administrative costs. The administrative costs must be determined for each land trust.

(b) (i) For each fiscal year, the department shall compare administrative costs for each land trust to the amount deposited by that land trust pursuant to 77-1-109. If the amount deposited exceeds the administrative costs for a specific land trust, the excess funds must be distributed as provided in subsection (4).

(ii) If money deposited from a specific land trust is insufficient to defray the administrative costs associated with that land trust, the board may transfer funds from other trusts to offset the difference. Trust accounts from which money is transferred must be reimbursed with interest. Interest must be paid at the rate earned on the short-term investment pool administered by the board of investments during the time period that the money was transferred.

(c) The department shall adopt rules regarding calculation and determination of administrative costs. The rules must include but are not limited to the use of proration and to what extent proration may be used."

Section 6. Section 77-1-109, MCA, is amended to read:

"77-1-109. Deposits of proceeds in trust land administration account. (1) Except as provided in

subsection (2), gross distributable revenue received by the department must be deposited in funds established for each trust beneficiary. Fund deposits must be identified by revenue source.

(2) The department shall, until the deposit equals the amount appropriated for the fiscal year pursuant to 77-1-108, deposit into the trust land administration account created by 77-1-108 ~~the following~~ all distributable revenue as defined in 77-1-108:

~~(a) mineral royalties;~~

~~(b) the proceeds or income from the sale of easements and timber, except timber from public school and Montana university system lands;~~

~~(c) 5% of the interest and income annually credited to the public school fund in accordance with 20-9-344; and~~

~~(d) fees collected pursuant to 77-2-328.~~

~~(2)(3)~~ After the deposits in subsection ~~(4)~~ (2) have been made, the remainder of the proceeds, other than proceeds from public school lands required to be deposited in the public school fund, timber from Montana university system lands, and other than those proceeds purchased pursuant to 17-6-340, must be deposited in the appropriate ~~permanent~~ distributable revenue fund and the capitol building land grant trust fund. Timber proceeds from university system lands must be paid over to the state treasurer, who shall deposit the money to the credit of the proper fund for use as provided in 17-3-1003(1). Royalty payments purchased pursuant to 17-6-340 must be used as provided in that section and 20-9-622.

~~(3) The amount of money that is deposited into the trust land administration account may not exceed 1 1/8% of the book value balance in each of the nine permanent funds administered by the department on the first day of January preceding the new biennium and 10% of the previous fiscal year revenue deposited into the capitol building land grant trust fund."~~

Section 7. Section 77-1-613, MCA, is amended to read:

"77-1-613. Deduction of portion of income received from Administrative costs associated with sale of timber from state trust lands --creation of account. (1) ~~There is an account in the state special revenue fund called the state timber sale account. Money in the account may be appropriated by the legislature for use by the department in the manner set out in this section to enhance the revenue creditable to the trusts. There must be placed in the account an amount from timber sales on state lands each fiscal year equal to the amount appropriated from the account for the corresponding fiscal year. The department may use funds appropriated from the trust land administration account, provided for in 77-1-108, for timber sale preparation and~~

documentation.

~~(2) Timber sale program funds deducted under subsection (1) must be directly applied to timber sale preparation and documentation.~~

~~(3)~~(2) In order to increase the volume of timber sold at the earliest possible time while continuing to meet the requirements of applicable state and federal laws and in order to avoid unnecessary delays and extra costs that would result from increasing its permanent staff, the department may contract for services that will enable achievement of the purposes of this section and that will achieve the highest net return to the trusts.

~~(4)~~(3) To maximize overall return to the trusts, the timely salvage of timber must be considered. However, salvage timber sales may not adversely affect the implementation of green timber sales programs conducted pursuant to 77-5-201."

Section 8. Section 77-1-802, MCA, is amended to read:

"77-1-802. (Temporary) Recreational use -- fee. (1) The fee for recreational use on state trust land must attain full market value whether the license is sold on an individual basis or on a group basis through an agreement with the department of fish, wildlife, and parks as provided in 77-1-815.

(2) Money received by the department from the sale of recreational use licenses must be credited as follows:

(a) Except as provided in subsection (2)(b), license fees must be apportioned on a pro rata basis to the land trusts, in proportion to the respective trust's percentage of acreage in the total acreage of all state land trusts.

(b) ~~Two dollars from the fee for each license, less 50~~ Revenue received from recreational use license fees is distributable revenue and must be deposited, as provided in 77-1-109, and used to pay for administrative costs, as provided in 77-1-108, and 50 cents from the fee for each license to must be returned to the license dealer as a commission, must be deposited in the state lands recreational use account established by 77-1-808.

(3) The department may contract with the department of fish, wildlife, and parks for the distribution and sale of recreational use licenses through the license agents appointed by and the administrative offices of the department of fish, wildlife, and parks and in accordance with the provisions of Title 87, chapter 2, part 9. (Void on occurrence of contingency--sec. 8, Ch. 596, L. 2003.)

77-1-802. (Effective on occurrence of contingency) Recreational use license -- fee. (1) The fee for a recreational use license must attain full market value.

(2) Money received by the department from the sale of recreational use licenses must be credited as follows:

(a) Except as provided in subsection (2)(b), license fees must be apportioned on a pro rata basis to the land trusts, in proportion to the respective trust's percentage contribution to the total acreage of all state land trusts.

~~(b) Two dollars from the fee for each license, less 50 cents from the fee for each license to~~ Revenue received from recreational use license fees is distributable revenue and must be deposited, as provided in 77-1-109, and used to pay for administrative costs, as provided in 77-1-108, and 50 cents from the fee for each license to ~~must be returned to the license dealer as a commission, must be deposited in the state lands recreational use account established by 77-1-808.~~

(3) The department may contract with the department of fish, wildlife, and parks for the distribution and sale of recreational use licenses through the license agents appointed by and the administrative offices of the department of fish, wildlife, and parks and in accordance with the provisions of Title 87, chapter 2, part 9."

Section 9. Section 77-1-808, MCA, is amended to read:

"77-1-808. (Temporary) State lands recreational use account. ~~(1) There is a state lands recreational use account in the state special revenue fund provided for in 17-2-102.~~

~~_____ (2) There must be deposited in the account:~~

~~_____ (a) all revenue received from the recreational use license established by 77-1-802;~~

~~_____ (b) 10% of the revenue received as a result of an agreement with the department of fish, wildlife, and parks for the use and impacts of hunting, fishing, and trapping as provided in 77-1-815; and~~

~~_____ (c) money received by the department in the form of legislative appropriations, reimbursements, gifts, federal funds, or appropriations from any source intended to be used for the purposes of this account.~~

~~(3) Money deposited in the~~ appropriated for the purpose of managing state lands recreational use ~~account~~ must be used by the department for the following purposes:

~~(a)~~(1) compensation pursuant to 77-1-809 for damage to the improvements of leases that has been proved to be caused by recreational users;

~~(b)~~(2) assistance in weed control management necessary as a result of recreational use of state lands;

~~(c)~~(3) protection of the resource value of the trust assets;

~~(d)~~(4) administration and management for the implementation of recreational use of state lands; and

~~(e)~~(5) maintenance of roads necessary for public recreational use of state trust land. (Void on occurrence of contingency--sec. 8, Ch. 596, L. 2003.)

77-1-808. (Effective on occurrence of contingency) State lands recreational use account. ~~(1) There is a state lands recreational use account in the state special revenue fund provided for in 17-2-102.~~

- ~~———— (2) There must be deposited in the account:~~
- ~~———— (a) all revenue received from the recreational use license established by 77-1-802; and~~
- ~~———— (b) money received by the department in the form of legislative appropriations, reimbursements, gifts, federal funds, or appropriations from any source intended to be used for the purposes of this account.~~
- ~~———— (3) Money deposited in the appropriated for the purpose of managing state lands recreational use account must be used by the department for the following purposes:~~
- ~~(a)(1)~~ compensation pursuant to 77-1-809 for damage to the improvements of leases that has been proved to be caused by recreational users;
 - ~~(b)(2)~~ assistance in weed control management necessary as a result of recreational use of state lands;
 - ~~(c)(3)~~ protection of the resource value of the trust assets; and
 - ~~(d)(4)~~ administration and management for the implementation of recreational use of state lands."

Section 10. Section 77-1-809, MCA, is amended to read:

"77-1-809. Compensation for damage to improvements, growing crops, or livestock. A lessee may apply to the department for reimbursement of documented costs of repair to or replacement of improvements, growing crops, or livestock damaged by recreational users of state lands. The application must include an affidavit by the applicant setting forth the nature of the loss, allegations and reasonable proof supporting the involvement of recreational users, and documentation of repair or replacement costs. Upon review of the application and supporting proof and upon additional investigation as required, the department shall grant, modify, or deny the claim. The department, by reason of payment to the lessee for damage to improvements, is entitled to be subrogated to the rights of the lessee to recover the amount paid from the party causing the damage. Payments under this section must be made from appropriations from the state lands recreational use trust land administration account established by ~~77-1-808~~ 77-1-108, and the liability of the department for damage payments is limited to the available 10% of revenue received from the recreational use fee and deposited in the account appropriation. Claim applications are to be considered in the order they are received."

Section 11. Section 77-1-810, MCA, is amended to read:

"77-1-810. Weed control management. (1) The department shall establish a weed control management program for the control of noxious weeds reasonably proved to be caused by the recreational use of state lands. The department may by rule establish a noxious weed management program that may include direct compensation for noxious weed control activities or participation in district and county weed control projects or

department-initiated weed control activities.

(2) Funding for this program must come from appropriations from the ~~state lands recreational use trust land administration~~ account pursuant to ~~77-1-808~~ provided for in 77-1-108."

Section 12. Section 77-1-815, MCA, is amended to read:

"77-1-815. (Temporary) Recreational use agreement for hunting, fishing, and trapping on legally accessible state trust land. (1) The board is authorized to enter into an agreement with the department of fish, wildlife, and parks to compensate state trust land beneficiaries for the use and impacts associated with hunting, fishing, and trapping on legally accessible state trust land as defined in department rule. The department may impose restrictions it considers necessary to coordinate the uses of state trust land or to preserve the purposes of the various trust lands. Hunting, fishing, and trapping on state trust land must be conducted in accordance with rules and provisions provided in this part.

(2) An agreement may be issued to the department of fish, wildlife, and parks for a term of up to 10 years. Through this agreement, the board shall recover for the beneficiaries of the trust the full market value for the use and impacts associated with hunting, fishing, and trapping on legally accessible state trust land. ~~Ten percent of the gross receipts from the agreement must be deposited in the state lands recreational use account established in 77-1-808. The remaining 90%~~ The department may use funds appropriated from the trust land administration account, provided for in 77-1-108, to implement and manage the agreement. Except as provided in 17-7-304, any unexpended amount in the account that resulted from recreational use fees must be apportioned on a pro rata basis to the land trusts, in proportion to the respective trust's percentage of acreage in the total acreage of all state land trusts.

(3) Any agreement entered into is subject to the following conditions:

(a) The department maintains sole discretion, throughout the term of the agreement, with regard to identifying legally accessible parcels, coordinating uses on state trust land, and making any other necessary state trust land management decisions.

(b) An agreement between the department and the department of fish, wildlife, and parks may not convey any additional authority to the department of fish, wildlife, and parks.

(4) During any period that the department of fish, wildlife, and parks and the department have reached an agreement as provided in subsection (1), an individual recreational use license under 77-1-801 or 77-1-802 may not be required for a member of the public to hunt, fish, or trap upon legally accessible state trust land. (Void on occurrence of contingency--sec. 8, Ch. 596, L. 2003.)"

Section 13. Section 77-1-905, MCA, is amended to read:

"77-1-905. Rental provisions for commercial leasing -- payments and credits -- administration -- lease options. (1) The first year's annual rental payment for state trust land leased for commercial purposes must be paid by cashier's check, and payment is due upon execution of the lease. The department may require the lessee of state trust land for commercial purposes to pay the department's cost of the request for proposals process, including publication and other reasonable expenses. Failure to pay the first year's rental at the time of lease execution must result in the cancellation of the lease and forfeiture of all money paid. In the event of cancellation or in the event that the successful proposer is offered and does not accept the lease, the board may enter into negotiations with other persons who submitted a proposal for commercial purposes in response to the department request for proposals on that tract.

(2) The board shall specify in any commercial lease an annual rental equal to the full market rental value of the land. The annual rent may not be less than the product of the appraised value of the land multiplied by a rate that is 2 percentage points a year less than the rate of return of the unified investment program administered by the board of investments pursuant to 17-6-201. The rate of return from the unified investment program used in this subsection must be determined no less than 30 days prior to the execution of the competitive bid. A commercial lease may include a rental adjustment formula established by the board that periodically adjusts the annual rent provided for in the lease at frequencies specified in the lease. The board may allow a credit against the annual rent due for payments made by the lessee on behalf of the state of Montana for construction of structures and improvements, special improvement district assessments, annexation fees, or other city or county fees attributable to the state's property interest in land leased for commercial purposes. The board may accept as lawful consideration in-kind payments of services or materials equal to the full market value of the rent calculated to be owed on any commercial lease. A lease issued under this part may include an amortization schedule to be used to determine the value to the lessee of improvements when the lease is terminated.

(3) The department may use ~~up to 10% of the annual rent received from a commercial lease~~ funds appropriated from the trust land administration account, provided for in 77-1-108, to contract with realtors, property managers, surveyors, legal counsel, or lease administrators to administer the commercial lease, either singly or in common with other leases, or to provide assistance to the department in the administration of commercial leases.

(4) In anticipation of entering into a commercial lease, the board may issue an option to lease at a rental rate that the board determines to be appropriate. An option to lease may not exceed a term of 2 years. An option to lease may not be construed to grant a right of immediate possession or control over the land but may only

preserve the optionholder's exclusive right to obtain a commercial lease on the land in the future."

Section 14. Section 77-2-328, MCA, is amended to read:

"77-2-328. Additional rules -- deposit of fees. The board may prescribe any additional rules for the conduct of sales of state land as in its judgment the interests of the state may demand. Any fees collected by a rule adopted pursuant to this section must be deposited in the trust land administration account as provided in ~~77-1-108~~ 77-1-109."

Section 15. Section 77-2-362, MCA, is amended to read:

"77-2-362. State land bank fund -- statutory appropriation -- rules. (1) There is a state land bank fund. The proceeds from the sale of state trust land authorized by 77-2-361 through 77-2-367 must be deposited into the state land bank fund. The purpose of the state land bank fund is to temporarily hold proceeds from the sale of trust land pending the purchase of other land, easements, or improvements for the benefit of the beneficiaries of the respective trusts. A separate record of the proceeds received from the sale of trust land for each of the respective trusts must be maintained. Proceeds from the sale of lands that are part of a trust land grant may be used only to purchase land for the same trust.

(2) (a) Proceeds deposited in the state land bank fund, except earnings on those proceeds, are statutorily appropriated, as provided in 17-7-502, to the department for the purposes described in 77-2-361 through 77-2-367. All earnings on the proceeds deposited in the state land bank fund are subject to the provisions of Article X, sections 5 and 10, of the Montana constitution.

(b) ~~Except as provided in subsection (2)(c), up to 10% of the proceeds in the state land bank fund~~ Funds appropriated from the trust land administration account, provided for in 77-1-108, may be used by the department to fund the transactional costs of buying, selling, appraising, or marketing real property. Transactional costs may include realtor's fees, title reports, title insurance, legal fees, and other costs that may be necessary to complete a conveyance of real property.

(c) Proceeds from the sale of lands held pursuant to the Morrill Act of 1862, 7 U.S.C. 301 through 308, and the Morrill Act of 1890, 7 U.S.C. 321 through 328, may not be used for any transactional costs or trust administration purposes for those lands.

(d) The department may hold proceeds from the sale of state land in the state land bank fund for a period not to exceed 10 years after the effective date of each sale. If, by the end of the 10th year, the proceeds from the subject land sale have not been encumbered to purchase other lands, easements, or improvements within the

state, the proceeds from that sale must be deposited in the public school fund or in the permanent fund of the respective trust as required by law, along with any earnings on the proceeds from the land sale, unless the time period is extended by the legislature.

(3) The board shall adopt rules providing for the implementation and administration of the state land bank fund, purchases, and sales."

NEW SECTION. Section 16. Unencumbered fund balances. (1) Except as provided in 17-7-304, any unencumbered fund balances in the resource development account formerly provided for in 77-1-604, the state timber sale account formerly provided for in 77-1-613, and the state lands recreational use account formerly provided for in 77-1-808 on June 30, 2007, must be transferred to each of the permanent funds or distributable accounts in proportionate shares to each fund's contribution to the accounts. The distribution to the appropriate trusts must take place before October 1, 2007.

(2) The department of natural resources and conservation shall submit a written report to the legislative finance committee prior to October 1, 2007, that provides, by account and trust, the amount of money to be transferred, the amount of money encumbered in each account, and the purpose for which the money is encumbered.

NEW SECTION. Section 17. Repealer. Sections 77-1-602, 77-1-604, 77-1-606, 77-1-607, 77-1-608, 77-1-609, and 77-1-613, MCA, are repealed.

NEW SECTION. Section 18. Effective date. [This act] is effective July 1, 2007.
