

SENATE BILL NO. 123
INTRODUCED BY C. WILLIAMS
BY REQUEST OF THE OFFICE OF PUBLIC INSTRUCTION

A BILL FOR AN ACT ENTITLED: "AN ACT PROVIDING FULL-TIME ANB FUNDING TO PUBLIC SCHOOL DISTRICTS FOR STUDENTS ENROLLED FULL-TIME IN A KINDERGARTEN PROGRAM OF AT LEAST 720 HOURS; REVISING THE BASIC ENTITLEMENT FOR APPROVED AND ACCREDITED JUNIOR HIGH AND MIDDLE SCHOOLS TO MAINTAIN CURRENT FUNDING AMOUNTS WITH FUNDING OF FULL-TIME KINDERGARTEN; PROVIDING A MECHANISM FOR ADJUSTING THE PREVIOUS YEAR'S GENERAL FUND BUDGET TO DETERMINE THE GENERAL FUND BUDGET LIMITATION FOR THE CURRENT YEAR; AMENDING SECTIONS 20-1-301, 20-7-117, 20-9-306, 20-9-308, 20-9-311, AND 20-9-313, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE."

WHEREAS, full-time kindergarten has been proven to be a vital step in starting children on a successful path to learning; and

WHEREAS, children who are enrolled in full-time kindergarten programs demonstrate greater progress in literacy, math, and general learning skills; and

WHEREAS, children who are enrolled in full-time kindergarten programs demonstrate significant gains in social and emotional development; and

WHEREAS, children who are enrolled in full-time kindergarten programs experience fewer grade retentions and special education placements and demonstrate reduced behavioral problems; and

WHEREAS, national studies and research in states that have implemented full-time kindergarten show that the academic, emotional, and social gains from full-time kindergarten are retained throughout K-12 and into adulthood as demonstrated by higher levels of educational attainment, higher rates of home ownership, and less demand on social and correctional services.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 20-1-301, MCA, is amended to read:

"20-1-301. School fiscal year. (1) The school fiscal year begins on July 1 and ends on June 30. At least the minimum aggregate hours defined in subsection (2) must be conducted during each school fiscal year, except

that 1,050 aggregate hours of pupil instruction for graduating seniors may be sufficient ~~or a minimum of 360 aggregate hours of pupil instruction must be conducted for a kindergarten program, as provided in 20-7-117.~~

(2) The minimum aggregate hours required by grade are:

(a) 360 hours for a half-time kindergarten program or 720 hours for a full-time kindergarten program, as provided in 20-7-117;

(b) 720 hours for grades 1 through 3; and

~~(b)~~(c) 1,080 hours for grades 4 through 12.

(3) For any elementary or high school district that fails to provide for at least the minimum aggregate hours, as listed in subsections (1) and (2), the superintendent of public instruction shall reduce the direct state aid for the district for that school year by two times an hourly rate, as calculated by the office of public instruction, for the aggregate hours missed."

Section 2. Section 20-7-117, MCA, is amended to read:

"20-7-117. ~~Five-year-old schooling~~ Kindergarten and preschool programs. (1) The trustees of an elementary district shall establish or make available a kindergarten program capable of accommodating, at a minimum, all the children in the district who will be 5 years old on or before September 10 of the school year for which the program is to be conducted or who have been enrolled by special permission of the board of trustees. The kindergarten program must be an integral part of the elementary school and must be financed and governed accordingly, provided that to be eligible for inclusion in the calculation of ANB pursuant to 20-9-311, a child must have reached the age of 5 on or before September 10 of the school year covered by the calculation or have been enrolled by special permission of the board of trustees. A kindergarten program must meet the minimum aggregate hour requirements established in 20-1-301.

(2) The trustees of an elementary school district may establish and operate a free preschool program for children between the ages of 3 and 5 years. When preschool programs are established, they must be an integral part of the elementary school and must be governed accordingly. Financing of preschool programs may not be supported by money available from state equalization aid."

Section 3. Section 20-9-306, MCA, is amended to read:

"20-9-306. Definitions. As used in this title, unless the context clearly indicates otherwise, the following definitions apply:

(1) "BASE" means base amount for school equity.

(2) "BASE aid" means:

(a) direct state aid for 44.7% of the basic entitlement and 44.7% of the total per-ANB entitlement for the general fund budget of a district;

(b) guaranteed tax base aid for an eligible district for any amount up to 35.3% of the basic entitlement, up to 35.3% of the total per-ANB entitlement budgeted in the general fund budget of a district, and 40% of the special education allowable cost payment;

(c) the total quality educator payment;

(d) the total at-risk student payment;

(e) the total Indian education for all payment; and

(f) the total American Indian achievement gap payment.

(3) "BASE budget" means the minimum general fund budget of a district, which includes 80% of the basic entitlement, 80% of the total per-ANB entitlement, 100% of the total quality educator payment, 100% of the total at-risk student payment, 100% of the total Indian education for all payment, 100% of the total American Indian achievement gap payment, and 140% of the special education allowable cost payment.

(4) "BASE budget levy" means the district levy in support of the BASE budget of a district, which may be supplemented by guaranteed tax base aid if the district is eligible under the provisions of 20-9-366 through 20-9-369.

(5) "BASE funding program" means the state program for the equitable distribution of the state's share of the cost of Montana's basic system of public elementary schools and high schools, through county equalization aid as provided in 20-9-331 and 20-9-333 and state equalization aid as provided in 20-9-343, in support of the BASE budgets of districts and special education allowable cost payments as provided in 20-9-321.

(6) "Basic entitlement" means:

(a) \$230,199 for each high school district;

(b) \$20,718 for each elementary school district or K-12 district elementary program without an approved and accredited junior high school or middle school; and

(c) ~~the prorated entitlement~~ for each elementary school district or K-12 district elementary program with an approved and accredited junior high school or middle school, ~~calculated as follows using either the current year ANB or the 3-year ANB provided for in 20-9-311:~~

(i) ~~\$20,718 times the ratio of the ANB for the kindergarten through grade 6 to the total ANB of kindergarten through grade 8 elementary program;~~ plus

(ii) ~~\$230,199 times the ratio of the ANB for grades 7 and 8 to the total ANB of kindergarten through grade~~

8 \$60,275 for an approved and accredited junior high school program or middle school program.

(7) "Budget unit" means the unit for which the ANB of a district is calculated separately pursuant to 20-9-311.

(8) "Direct state aid" means 44.7% of the basic entitlement and 44.7% of the total per-ANB entitlement for the general fund budget of a district and funded with state and county equalization aid.

(9) "Maximum general fund budget" means a district's general fund budget amount calculated from the basic entitlement for the district, the total per-ANB entitlement for the district, the total quality educator payment, the total at-risk student payment, the total Indian education for all payment, the total American Indian achievement gap payment, and the greater of:

(a) 175% of special education allowable cost payments; or

(b) the ratio, expressed as a percentage, of the district's special education allowable cost expenditures to the district's special education allowable cost payment for the fiscal year that is 2 years previous, with a maximum allowable ratio of 200%.

(10) "Over-BASE budget levy" means the district levy in support of any general fund amount budgeted that is above the BASE budget and below the maximum general fund budget for a district.

(11) "Total American Indian achievement gap payment" means the payment resulting from multiplying \$200 times the number of American Indian students enrolled in the district as provided in 20-9-330.

(12) "Total at-risk student payment" means the payment resulting from the distribution of any funds appropriated for the purposes of 20-9-328.

(13) "Total Indian education for all payment" means the payment resulting from multiplying \$20.40 times the ANB of the district or \$100 for each district, whichever is greater, as provided for in 20-9-329.

(14) "Total per-ANB entitlement" means the district entitlement resulting from the following calculations and using either the current year ANB or the 3-year ANB provided for in 20-9-311:

(a) for a high school district or a K-12 district high school program, a maximum rate of \$5,704 for the first ANB is decreased at the rate of 50 cents per ANB for each additional ANB of the district up through 800 ANB, with each ANB in excess of 800 receiving the same amount of entitlement as the 800th ANB;

(b) for an elementary school district or a K-12 district elementary program without an approved and accredited junior high school or middle school, a maximum rate of \$4,456 for the first ANB is decreased at the rate of 20 cents per ANB for each additional ANB of the district up through 1,000 ANB, with each ANB in excess of 1,000 receiving the same amount of entitlement as the 1,000th ANB; and

(c) for an elementary school district or a K-12 district elementary program with an approved and

accredited junior high school or middle school, the sum of:

(i) a maximum rate of \$4,456 for the first ANB for kindergarten through grade 6 is decreased at the rate of 20 cents per ANB for each additional ANB up through 1,000 ANB, with each ANB in excess of 1,000 receiving the same amount of entitlement as the 1,000th ANB; and

(ii) a maximum rate of \$5,704 for the first ANB for grades 7 and 8 is decreased at the rate of 50 cents per ANB for each additional ANB for grades 7 and 8 up through 800 ANB, with each ANB in excess of 800 receiving the same amount of entitlement as the 800th ANB.

(15) "Total quality educator payment" means the payment resulting from multiplying \$2,000 times the number of full-time equivalent educators as provided in 20-9-327."

Section 4. Section 20-9-308, MCA, is amended to read:

"20-9-308. (Temporary) BASE budgets and maximum general fund budgets. (1) The trustees of a district shall adopt a general fund budget that is at least equal to the BASE budget established for the district and, except as provided in subsection (3), does not exceed the maximum general fund budget established for the district.

(2) Whenever the trustees of a district adopt a general fund budget that exceeds the BASE budget for the district but does not exceed the maximum general fund budget for the district, the trustees shall submit a proposition to the electors of the district, as provided in 20-9-353.

(3) (a) (i) Except as provided in subsections (3)(a)(ii) and (3)(b), the trustees of a school district whose previous year's general fund budget exceeds the current year's maximum general fund budget amount may adopt a general fund budget up to the maximum general fund budget amount or the previous year's general fund budget, whichever is greater. Except as provided in subsection (3)(b), a school district may adopt a budget under the criteria of this subsection (3)(a)(i) for a maximum of 5 consecutive years, but the trustees shall adopt a plan to reach the maximum general fund budget by no later than the end of the 5-year period.

(ii) Except as provided in subsection (3)(b), the trustees of a district whose general fund budget was above the maximum general fund budget established by Chapter 38, Special Laws of November 1993, and whose general fund budget has continued to exceed the district's maximum general fund budget in each school fiscal year after school fiscal year 1993 may continue to adopt a general fund budget that exceeds the maximum general fund budget. However, the budget adopted for the current year may not exceed the lesser of:

(A) the adopted budget for the previous year; or

(B) the district's maximum general fund budget for the current year plus the over maximum budget

amount adopted for the previous year.

(b) ~~A school district that adopted a general fund budget over its maximum general fund budget under any provision of subsection (3)(a) at any time between fiscal year 2001 and fiscal year 2005 may, for fiscal year 2006 and fiscal year 2007, adopt the greater of its maximum general fund budget or the highest actual budget adopted between fiscal year 2001 and fiscal year 2005. For the purpose of calculating the previous year's general fund budget in the initial year of implementation of a full-time kindergarten program established pursuant to 20-7-117, the trustees may add to the district's adopted general fund budget for the previous year an amount equal to one-half of the kindergarten enrollment in the previous year times the sum of the maximum per-ANB rate for an elementary ANB and the Indian education for all payment for an ANB for the previous year.~~

(c) Except as provided in 20-9-353(8), the trustees of the district shall submit a proposition to raise any general fund budget amount that is in excess of the maximum general fund budget for the district to the electors who are qualified under 20-20-301 to vote on the proposition, as provided in 20-9-353.

(4) The BASE budget for the district must be financed by the following sources of revenue:

(a) state equalization aid, as provided in 20-9-343, including any guaranteed tax base aid for which the district may be eligible, as provided in 20-9-366 through 20-9-369;

(b) county equalization aid, as provided in 20-9-331 and 20-9-333;

(c) a district levy for support of a school not approved as an isolated school under the provisions of 20-9-302;

(d) payments in support of special education programs under the provisions of 20-9-321;

(e) nonlevy revenue, as provided in 20-9-141; and

(f) a BASE budget levy on the taxable value of all property within the district.

(5) The over-BASE budget amount of a district must be financed by a levy on the taxable value of all property within the district or other revenue available to the district, as provided in 20-9-141. (Terminates June 30, 2007--sec. 3, Ch. 190, L. 2005; sec. 25(2), Ch. 462, L. 2005.)

20-9-308. (Effective July 1, 2007) BASE budgets and maximum general fund budgets. (1) The trustees of a district shall adopt a general fund budget that is at least equal to the BASE budget established for the district and, except as provided in subsection (3), does not exceed the maximum general fund budget established for the district.

(2) Whenever the trustees of a district adopt a general fund budget that exceeds the BASE budget for the district but does not exceed the maximum general fund budget for the district, the trustees shall submit a proposition to the electors of the district, as provided in 20-9-353.

(3) (a) (i) Except as provided in subsection (3)(a)(ii), the trustees of a school district whose previous year's general fund budget exceeds the current year's maximum general fund budget amount may adopt a general fund budget up to the maximum general fund budget amount or the previous year's general fund budget, whichever is greater. A school district may adopt a budget under the criteria of this subsection (3)(a)(i) for a maximum of 5 consecutive years, but the trustees shall adopt a plan to reach the maximum general fund budget by no later than the end of the 5-year period. A school district whose adopted general fund budget for the previous year exceeds the maximum general fund budget for the current year and whose ANB for the previous year exceeds the ANB for the current year by 30% or more shall reduce its adopted budget by:

(A) in the first year, 20% of the range between the district's adopted general fund budget for the previous school fiscal year and the maximum general fund budget for the current school fiscal year;

(B) in the second year, 25% of the range between the district's adopted general fund budget for the previous school fiscal year and the maximum general fund budget for the current school fiscal year;

(C) in the third year, 33.3% of the range between the district's adopted general fund budget for the previous school fiscal year and the maximum general fund budget for the current school fiscal year;

(D) in the fourth year, 50% of the range between the district's adopted general fund budget for the previous school fiscal year and the maximum general fund budget for the current school fiscal year; and

(E) in the fifth year, the remainder of the range between the district's adopted general fund budget for the previous school fiscal year and the maximum general fund budget for the current school fiscal year.

(ii) The trustees of a district whose general fund budget was above the maximum general fund budget established by Chapter 38, Special Laws of November 1993, and whose general fund budget has continued to exceed the district's maximum general fund budget in each school fiscal year after school fiscal year 1993 may continue to adopt a general fund budget that exceeds the maximum general fund budget. However, the budget adopted for the current year may not exceed the lesser of:

(A) the adopted budget for the previous year; or

(B) the district's maximum general fund budget for the current year plus the over maximum budget amount adopted for the previous year.

(b) For the purpose of calculating the previous year's general fund budget in the initial year of implementation of a full-time kindergarten program established pursuant to 20-7-117, the trustees may add to the district's adopted general fund budget for the previous year an amount equal to one-half of the kindergarten enrollment in the previous year times the sum of the maximum per-ANB rate for an elementary ANB and the Indian education for all payment for an ANB for the previous year.

~~(b)~~(c) The trustees of the district shall submit a proposition to raise any general fund budget amount that is in excess of the maximum general fund budget for the district to the electors who are qualified under 20-20-301 to vote on the proposition, as provided in 20-9-353.

(4) The BASE budget for the district must be financed by the following sources of revenue:

(a) state equalization aid, as provided in 20-9-343, including any guaranteed tax base aid for which the district may be eligible, as provided in 20-9-366 through 20-9-369;

(b) county equalization aid, as provided in 20-9-331 and 20-9-333;

(c) a district levy for support of a school not approved as an isolated school under the provisions of 20-9-302;

(d) payments in support of special education programs under the provisions of 20-9-321;

(e) nonlevy revenue, as provided in 20-9-141; and

(f) a BASE budget levy on the taxable value of all property within the district.

(5) The over-BASE budget amount of a district must be financed by a levy on the taxable value of all property within the district or other revenue available to the district, as provided in 20-9-141."

Section 5. Section 20-9-311, MCA, is amended to read:

"20-9-311. (Temporary) Calculation of average number belonging (ANB) -- three-year averaging.

(1) Average number belonging (ANB) must be computed for each budget unit as follows:

(a) compute an average enrollment by adding a count of regularly enrolled full-time pupils who were enrolled as of the first Monday in October of the prior school fiscal year to a count of regularly enrolled pupils on February 1 of the prior school fiscal year, or the next school day if those dates do not fall on a school day, and divide the sum by two; and

(b) multiply the average enrollment calculated in subsection (1)(a) by the sum of 180 and the approved pupil-instruction-related days for the current school fiscal year and divide by 180.

(2) For the purpose of calculating ANB under subsection (1), up to 7 approved pupil-instruction-related days may be included in the calculation.

(3) When a school district has approval to operate less than the minimum aggregate hours under 20-9-806, the total ANB must be calculated in accordance with the provisions of 20-9-805.

(4) (a) ~~Except as provided in subsection (5), for~~ For the purpose of calculating ANB, enrollment in an education program:

(i) from 181 to 359 aggregate hours of pupil instruction per school year is counted as one-quarter-time

enrollment;

(ii) from 360 to 539 aggregate hours of pupil instruction per school year is counted as half-time enrollment;

(iii) from 540 to 719 aggregate hours of pupil instruction per school year is counted as three-quarter-time enrollment; and

(iv) 720 or more aggregate hours of pupil instruction per school year is counted as full-time enrollment.

(b) Enrollment in a program intended to provide fewer than 180 aggregate hours of pupil instruction per school year may not be included for purposes of ANB.

(c) Enrollment in a self-paced program or course may be converted to an hourly equivalent based on the hours necessary and appropriate to provide the course within a regular classroom schedule.

(d) A pupil in ~~grades 4~~ kindergarten through grade 12 who is concurrently enrolled in more than one public school, program, or district may not be counted as more than one full-time pupil for ANB purposes.

(5) ~~In calculating the ANB for pupils enrolled in a program established under 20-7-117(1), enrollment in a program that provides 360 or more aggregate hours of pupil instruction per school year must be counted as one-half pupil for ANB purposes~~ For a district that is transitioning from a half-time to a full-time kindergarten program, the state superintendent shall count kindergarten enrollment in the previous year as full-time enrollment for the purpose of calculating ANB for the elementary programs offering full-time kindergarten in the current year.

(6) When a pupil has been absent, with or without excuse, for more than 10 consecutive school days, the pupil may not be included in the enrollment count used in the calculation of the ANB unless the pupil resumes attendance prior to the day of the enrollment count.

(7) The enrollment of prekindergarten pupils, as provided in 20-7-117, may not be included in the ANB calculations.

(8) The average number belonging of the regularly enrolled, full-time pupils for the public schools of a district must be based on the aggregate of all the regularly enrolled, full-time pupils attending the schools of the district, except that the ANB is calculated as a separate budget unit when:

(a) (i) a school of the district is located more than 20 miles beyond the incorporated limits of a city or town located in the district and at least 20 miles from any other school of the district, the number of regularly enrolled, full-time pupils of the school must be calculated as a separate budget unit for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district;

(ii) a school of the district is located more than 20 miles from any other school of the district and incorporated territory is not involved in the district, the number of regularly enrolled, full-time pupils of the school

must be calculated separately for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district;

(iii) the superintendent of public instruction approves an application not to aggregate when conditions exist affecting transportation, such as poor roads, mountains, rivers, or other obstacles to travel, or when any other condition exists that would result in an unusual hardship to the pupils of the school if they were transported to another school, the number of regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district; or

(iv) two or more districts consolidate or annex under the provisions of 20-6-422 or 20-6-423, the ANB and the basic entitlements of the component districts must be calculated separately for a period of 3 years following the consolidation or annexation. Each district shall retain a percentage of its basic entitlement for 3 additional years as follows:

- (A) 75% of the basic entitlement for the fourth year;
- (B) 50% of the basic entitlement for the fifth year; and
- (C) 25% of the basic entitlement for the sixth year.

(b) a junior high school has been approved and accredited as a junior high school, all of the regularly enrolled, full-time pupils of the junior high school must be considered as high school district pupils for ANB purposes;

(c) a middle school has been approved and accredited, all pupils below the 7th grade must be considered elementary school pupils for ANB purposes and the 7th and 8th grade pupils must be considered high school pupils for ANB purposes; or

(d) a school has not been accredited by the board of public education, the regularly enrolled, full-time pupils attending the nonaccredited school are not eligible for average number belonging calculation purposes, nor will an average number belonging for the nonaccredited school be used in determining the BASE funding program for the district.

(9) The district shall provide the superintendent of public instruction with semiannual reports of school attendance, absence, and enrollment for regularly enrolled students, using a format determined by the superintendent.

(10)(a) Except as provided in subsections (10)(b) and (10)(c), enrollment in a basic education program provided by the district through any combination of onsite or offsite instruction may be included for ANB purposes only if the pupil is offered access to the complete range of educational services for the basic education program

required by the accreditation standards adopted by the board of public education.

(b) Access to school programs and services for a student placed by the trustees in a private program for special education may be limited to the programs and services specified in an approved individual education plan supervised by the district.

(c) Access to school programs and services for a student who is incarcerated in a facility, other than a youth detention center, may be limited to the programs and services provided by the district at district expense under an agreement with the incarcerating facility.

(d) This subsection (10) may not be construed to require a school district to offer access to activities governed by an organization having jurisdiction over interscholastic activities, contests, and tournaments to a pupil who is not otherwise eligible under the rules of the organization.

(11) A district may include only, for ANB purposes, an enrolled pupil who is otherwise eligible under this title and who is:

(a) a resident of the district or a nonresident student admitted by trustees under a student attendance agreement and who is attending a school of the district;

(b) unable to attend school due to a medical reason certified by a medical doctor and receiving individualized educational services supervised by the district, at district expense, at a home or facility that does not offer an educational program;

(c) unable to attend school due to the student's incarceration in a facility, other than a youth detention center, and who is receiving individualized educational services supervised by the district, at district expense, at a home or facility that does not offer an educational program;

(d) receiving special education and related services, other than day treatment, under a placement by the trustees at a private nonsectarian school or private program if the pupil's services are provided at the district's expense under an approved individual education plan supervised by the district;

(e) participating in the running start program at district expense under 20-9-706;

(f) receiving educational services, provided by the district, using appropriately licensed district staff at a private residential program or private residential facility licensed by the department of public health and human services;

(g) enrolled in an educational program or course provided at district expense using electronic or offsite delivery methods, including but not limited to tutoring, distance learning programs, online programs, and technology delivered learning programs, while attending a school of the district or any other nonsectarian offsite instructional setting with the approval of the trustees of the district. The pupil shall:

- (i) meet the residency requirements for that district as provided in 1-1-215;
- (ii) live in the district and must be eligible for educational services under the Individuals With Disabilities Education Act or under 29 U.S.C. 794; or
- (iii) attend school in the district under a mandatory attendance agreement as provided in 20-5-321.
- (h) a resident of the district attending a Montana job corps program under an interlocal agreement with the district under 20-9-707.

(12)(a) For an elementary or high school district that has been in existence for 3 years or more, the district's maximum general fund budget and BASE budget for the ensuing school fiscal year must be calculated using the current year ANB for all budget units or the 3-year average ANB for all budget units, whichever generates the greatest maximum general fund budget.

(b) For a K-12 district that has been in existence for 3 years or more, the district's maximum general fund budget and BASE budget for the ensuing school fiscal year must be calculated separately for the elementary and high school programs pursuant to subsection (12)(a) and then combined.

(13) The term "3-year ANB" means an average ANB over the most recent 3-year period, calculated by:

- (a) adding the ANB for the budget unit for the ensuing school fiscal year to the ANB for each of the previous 2 school fiscal years; and
- (b) dividing the sum calculated under subsection (13)(a) by three. (Terminates June 30, 2007--sec. 25(2), Ch. 462, L. 2005.)

20-9-311. (Effective July 1, 2007) Calculation of average number belonging (ANB) -- three-year averaging. (1) Average number belonging (ANB) must be computed as follows:

(a) compute an average enrollment by adding a count of regularly enrolled full-time pupils who were enrolled as of the first Monday in October of the prior school fiscal year to a count of regularly enrolled pupils on February 1 of the prior school fiscal year, or the next school day if those dates do not fall on a school day, and divide the sum by two; and

(b) multiply the average enrollment calculated in subsection (1)(a) by the sum of 180 and the approved pupil-instruction-related days for the current school fiscal year and divide by 180.

(2) For the purpose of calculating ANB under subsection (1), up to 7 approved pupil-instruction-related days may be included in the calculation.

(3) When a school district has approval to operate less than the minimum aggregate hours under 20-9-806, the total ANB must be calculated in accordance with the provisions of 20-9-805.

(4) (a) ~~Except as provided in subsection (5), for~~ For the purpose of calculating ANB, enrollment in an

education program:

(i) from 181 to 359 aggregate hours of pupil instruction per school year is counted as one-quarter-time enrollment;

(ii) from 360 to 539 aggregate hours of pupil instruction per school year is counted as half-time enrollment;

(iii) from 540 to 719 aggregate hours of pupil instruction per school year is counted as three-quarter-time enrollment; and

(iv) 720 or more aggregate hours of pupil instruction per school year is counted as full-time enrollment.

(b) Enrollment in a program intended to provide fewer than 180 aggregate hours of pupil instruction per school year may not be included for purposes of ANB.

(c) Enrollment in a self-paced program or course may be converted to an hourly equivalent based on the hours necessary and appropriate to provide the course within a regular classroom schedule.

(d) A pupil in ~~grades 4~~ kindergarten through grade 12 who is concurrently enrolled in more than one public school, program, or district may not be counted as more than one full-time pupil for ANB purposes.

(5) ~~In calculating the ANB for pupils enrolled in a program established under 20-7-117(1), enrollment in a program that provides 360 or more aggregate hours of pupil instruction per school year must be counted as one-half pupil for ANB purposes~~ For a district that is transitioning from a half-time to a full-time kindergarten program, the state superintendent shall count kindergarten enrollment in the previous year as full-time enrollment for the purpose of calculating ANB for the elementary programs offering full-time kindergarten in the current year.

(6) When a pupil has been absent, with or without excuse, for more than 10 consecutive school days, the pupil may not be included in the enrollment count used in the calculation of the ANB unless the pupil resumes attendance prior to the day of the enrollment count.

(7) The enrollment of prekindergarten pupils, as provided in 20-7-117, may not be included in the ANB calculations.

(8) The average number belonging of the regularly enrolled, full-time pupils for the public schools of a district must be based on the aggregate of all the regularly enrolled, full-time pupils attending the schools of the district, except that when:

(a) (i) a school of the district is located more than 20 miles beyond the incorporated limits of a city or town located in the district and at least 20 miles from any other school of the district, the number of regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district;

(ii) a school of the district is located more than 20 miles from any other school of the district and incorporated territory is not involved in the district, the number of regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district;

(iii) the superintendent of public instruction approves an application not to aggregate when conditions exist affecting transportation, such as poor roads, mountains, rivers, or other obstacles to travel, or when any other condition exists that would result in an unusual hardship to the pupils of the school if they were transported to another school, the number of regularly enrolled, full-time pupils of the school must be calculated separately for ANB purposes and the district must receive a basic entitlement for the school calculated separately from the other schools of the district; or

(iv) two or more districts consolidate or annex under the provisions of 20-6-422 or 20-6-423, the ANB and the basic entitlements of the component districts must be calculated separately for a period of 3 years following the consolidation or annexation. Each district shall retain a percentage of its basic entitlement for 3 additional years as follows:

- (A) 75% of the basic entitlement for the fourth year;
- (B) 50% of the basic entitlement for the fifth year; and
- (C) 25% of the basic entitlement for the sixth year.

(b) a junior high school has been approved and accredited as a junior high school, all of the regularly enrolled, full-time pupils of the junior high school must be considered as high school district pupils for ANB purposes;

(c) a middle school has been approved and accredited, all pupils below the 7th grade must be considered elementary school pupils for ANB purposes and the 7th and 8th grade pupils must be considered high school pupils for ANB purposes; or

(d) a school has not been accredited by the board of public education, the regularly enrolled, full-time pupils attending the nonaccredited school are not eligible for average number belonging calculation purposes, nor will an average number belonging for the nonaccredited school be used in determining the BASE funding program for the district.

(9) The district shall provide the superintendent of public instruction with semiannual reports of school attendance, absence, and enrollment for regularly enrolled students, using a format determined by the superintendent.

(10)(a) Except as provided in subsections (10)(b) and (10)(c), enrollment in a basic education program

provided by the district through any combination of onsite or offsite instruction may be included for ANB purposes only if the pupil is offered access to the complete range of educational services for the basic education program required by the accreditation standards adopted by the board of public education.

(b) Access to school programs and services for a student placed by the trustees in a private program for special education may be limited to the programs and services specified in an approved individual education plan supervised by the district.

(c) Access to school programs and services for a student who is incarcerated in a facility, other than a youth detention center, may be limited to the programs and services provided by the district at district expense under an agreement with the incarcerating facility.

(d) This subsection (10) may not be construed to require a school district to offer access to activities governed by an organization having jurisdiction over interscholastic activities, contests, and tournaments to a pupil who is not otherwise eligible under the rules of the organization.

(11) A district may include only, for ANB purposes, an enrolled pupil who is otherwise eligible under this title and who is:

(a) a resident of the district or a nonresident student admitted by trustees under a student attendance agreement and who is attending a school of the district;

(b) unable to attend school due to a medical reason certified by a medical doctor and receiving individualized educational services supervised by the district, at district expense, at a home or facility that does not offer an educational program;

(c) unable to attend school due to the student's incarceration in a facility, other than a youth detention center, and who is receiving individualized educational services supervised by the district, at district expense, at a home or facility that does not offer an educational program;

(d) receiving special education and related services, other than day treatment, under a placement by the trustees at a private nonsectarian school or private program if the pupil's services are provided at the district's expense under an approved individual education plan supervised by the district;

(e) participating in the running start program at district expense under 20-9-706;

(f) receiving educational services, provided by the district, using appropriately licensed district staff at a private residential program or private residential facility licensed by the department of public health and human services;

(g) enrolled in an educational program or course provided at district expense using electronic or offsite delivery methods, including but not limited to tutoring, distance learning programs, online programs, and

technology delivered learning programs, while attending a school of the district or any other nonsectarian offsite instructional setting with the approval of the trustees of the district. The pupil shall:

- (i) meet the residency requirements for that district as provided in 1-1-215;
- (ii) live in the district and must be eligible for educational services under the Individuals With Disabilities Education Act or under 29 U.S.C. 794; or
- (iii) attend school in the district under a mandatory attendance agreement as provided in 20-5-321.
- (h) a resident of the district attending a Montana job corps program under an interlocal agreement with the district under 20-9-707.

(12)(a) For an elementary or high school district that has been in existence for 3 years or more, the district's maximum general fund budget and BASE budget for the ensuing school fiscal year must be calculated using the current year ANB for all budget units or the 3-year average ANB for all budget units, whichever generates the greatest maximum general fund budget.

(b) For a K-12 district that has been in existence for 3 years or more, the district's maximum general fund budget and BASE budget for the ensuing school fiscal year must be calculated separately for the elementary and high school programs pursuant to subsection (12)(a) and then combined.

(13) The term "3-year ANB" means an average ANB over the most recent 3-year period, calculated by:

- (a) adding the ANB for the budget unit for the ensuing school fiscal year to the ANB for each of the previous 2 school fiscal years; and
- (b) dividing the sum calculated under subsection (13)(a) by three."

Section 6. Section 20-9-313, MCA, is amended to read:

"20-9-313. Circumstances under which regular average number belonging may be increased. The average number belonging of a school, calculated in accordance with the ANB formula prescribed in 20-9-311, may be increased when:

(1) the opening of a new elementary school or the reopening of an elementary school has been approved in accordance with 20-6-502. The average number belonging for the school must be established by the county superintendent and approved, disapproved, or adjusted by the superintendent of public instruction.

(2) the opening or reopening of a high school or a branch of the county high school has been approved in accordance with 20-6-503, 20-6-504, or 20-6-505. The average number belonging for the high school must be established by the county superintendent's estimate, after an investigation of the probable number of pupils that will attend the high school.

(3) a district anticipates an increase in the average number belonging due to the closing of a private or public school in the district or a neighboring district. The estimated increase in average number belonging must be established by the trustees and the county superintendent and approved, disapproved, or adjusted by the superintendent of public instruction no later than the fourth Monday in June.

(4) a district anticipates an unusual enrollment increase in the ensuing school fiscal year. The increase in average number belonging must be based on estimates of increased enrollment approved by the superintendent of public instruction and must be computed in the manner prescribed by 20-9-314.

(5) for the initial year of operation of a kindergarten program established under 20-7-117(1), the ANB to be used for budget purposes is ~~the same as:~~

(a) one-half the number of 5-year-old children residing in the district as of September 10 of the preceding school year, either as shown on the official school census or as determined by some other procedure approved by the superintendent of public instruction for implementing a half-time kindergarten program as provided in 20-1-301; or

(b) the number of 5-year-old children residing in the district as of September 10 of the preceding school year, either as shown on the official school census or as determined by some other procedure approved by the superintendent of public instruction, for the purpose of implementing a full-time kindergarten program as provided in 20-1-301; or

(6) a high school district provides early graduation for a student who completes graduation requirements in less than eight semesters or the equivalent amount of secondary school enrollment. The increase must be established by the trustees as though the student had attended to the end of the school fiscal year and must be approved, disapproved, or adjusted by the superintendent of public instruction.

(7) This section does not apply to the expansion of a half-time kindergarten program to a full-time kindergarten program."

NEW SECTION. Section 7. Effective date -- applicability. [This act] is effective July 1, 2007, and applies to school district budgets for fiscal years beginning on or after July 1, 2007.
