"2-18-617. Accumulation of leave -- cash for unused -- transfer. (1) (a) Except as provided in subsection (1)(b), annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

(b) It is the responsibility of the head of an employing agency to provide reasonable opportunity for an employee to use rather than forfeit accumulated vacation leave. If an employee makes a reasonable written request to use excess vacation leave before the excess vacation leave must be forfeited under subsection (1)(a) and the employing agency denies the request, the excess vacation leave is not forfeited and the employing agency shall ensure that the employee may use the excess vacation leave before the end of the calendar year in which the leave would have been forfeited under subsection (1)(a).

(2) An employee who terminates employment for a reason not reflecting discredit on the employee and who has worked the qualifying period set forth in 2-18-611 is entitled upon the date of termination to either:

(a) cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in 2-18-611 if the employee is not subject to subsection (2)(b); or

(b) conversion of the employee's unused vacation leave balance to an employer contribution to an employee welfare benefit plan health care expense trust account established pursuant to 2-18-1304 if:

(i) the employee is a member who belongs to a voluntary employees' beneficiary association established under 2-18-1310; and

(ii) the contracting employer has entered into an agreement with members of the common association for an employer contribution based on unused vacation leave provided for in 2-18-611.

(3) However, if an employee transfers between agencies of the same jurisdiction, cash compensation may not be paid for unused vacation leave. In a transfer, the receiving agency assumes the liability for the

accrued vacation credits transferred with the employee.

(4) This section does not prohibit a school district from providing cash compensation for unused vacation leave in lieu of the accumulation of the leave, either through a collective bargaining agreement or, in the absence of a collective bargaining agreement, through a policy."

Section 3. Section 2-18-1311, MCA, is amended to read:

"2-18-1311. Contributions of unused sick leave -- other contributions not prohibited. (1) In a manner prescribed by the department, a contracting employer shall provide for a plan member to annually designate how many hours, if any, of the member's sick leave will be automatically converted to an employer contribution to the member's account each pay period as provided for in this section.

(2) (a) Except as provided in subsection (2)(b), a member may annually convert only the sick leave hours in excess of 240 hours and no more than the maximum prescribed by the contracting employer.

(b) When the member's employment is terminated, the member's ~~entire~~ unused sick leave balance ~~must~~ may be automatically converted, in whole or in part, to an employer contribution to the member's account pursuant to this section, and may not be paid as a lump sum For those amounts of sick leave not converted to employer contributions, the balance is allocated as required under 2-18-618(6).

(3) The amount of the employer contribution to a member's account for hours converted under this section must be equal to one-fourth of the pay attributed to the accumulated sick leave. The attributable pay must be computed on the basis of the employee's salary or wage at the time that the sick leave is converted. A member may not later receive as sick leave credit or as a lump-sum payment amounts contributed to the member's account pursuant to this section.

(4) This section does not prohibit an employer from entering into an agreement with a member for employer contributions to a member account in addition to the contributions provided for under this section."

Section 4. Effective date. [This act] is effective July 1, 2007.
