BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Authorization to create district. (1) A board of county commissioners may create a museum district, composed of a building, collection of buildings, or an area of which a principal purpose is the exhibition, display, or performance of matters of historical, artistic, cultural, or scientific interest.

(2) (a) A district may include territory from more than one county if:

(i) the majority of the members of the board of county commissioners of each county in which the proposed district is located approve the resolution of intention to create the district and the resolution to create the district; and

(ii) the required notice is provided, protest is allowed, and hearings are properly held in all of the counties in which the district will be located.

(b) If there is sufficient protest to bar further proceedings in one county, as provided in [section 5], then territory from that county may not be included in the district.

Section 2. Resolution of intention to create district. (1) Before creating a museum district, the board of county commissioners shall pass a resolution of intention to create the district.

(2) The resolution must designate:

(a) the name of the proposed district;

(b) the reasons for creating the district;

(c) a description of the area to be included in the proposed district, including a map of the proposed boundaries;

(d) the type of museum facility or facilities to be included in the proposed district; and

(e) the estimated cost of the proposed district.

Section 3. Notice of resolution of intention to create district -- hearing. (1) The board of county commissioners shall give notice of the passage of its intention to create the museum district.

(2) The notice must be published as provided in 7-1-2121, and a copy of the notice must be mailed, as provided in 7-1-2122, to every person, firm, or corporation or the agent of the person, firm, or corporation owning property within the proposed district, at the last-known place of residence, on the same day on which the notice is first published or posted.

(3) The notice must describe the reasons for the district, state the estimated cost, and indicate the time when and place where the board will hear all protests that may be made against creating the district. The notice must refer to the resolution on file in the office of the county clerk and recorder for the description of the boundaries.

Section 4. Right to protest. (1) At any time within 30 days after the date of the first publication of the passage of the resolution of intention to create a museum district, an owner of property liable to be taxed under 7-16-2205 may make written protest against the proposed district.

(2) The protest must be delivered to the county clerk and recorder, who shall endorse on the protest the date of receipt.

Section 5. Consideration of protest -- sufficient protest to bar proceedings. (1) At the next regular meeting of the board of county commissioners after final publication of the notice required in [section 3], the board shall hold a hearing to consider the written protests and hear the objections of the protestors.

(2) If the board of county commissioners finds that the owners of 50% or more of the property liable to be taxed under 7-16-2205 have protested creation of a museum district, the board may not hold any further proceedings on creation of the district for a period of at least 6 months from the date of the hearing.

Section 6. Resolution creating district. The board of county commissioners may pass a resolution to create the museum district in accordance with the resolution of intention passed under [section 2] if:

(1) no protests are received by the county clerk and recorder within the time period provided in [section 4]; or

(2) the board finds that the area represented by the protests is insufficient to bar proceedings.

Section 7. Administration of district funds. (1) Once a museum district is created, the board of county commissioners may either administer the district funds or appoint a board of trustees, subject to the provisions of 7-1-201 through 7-1-203, to administer the district funds.

(2) If a district contains territory from more than one county and if:

(a) the boards of county commissioners administer the district funds, all decisions regarding funds must be made upon an affirmative vote of the majority of the members of each board;

(b) a board of trustees is appointed, the board of county commissioners of each county in which the district is located shall appoint members of the board of trustees. The number of members appointed by each board of county commissioners must be proportional to the county's share of taxable value in the entire district.

Section 8. Authorization to acquire facilities -- authorization for mill levy. The board of county commissioners may execute the provisions of 7-16-2202 and 7-16-2205 for a museum district created as provided in [sections 1 through 9]. If a district contains territory in more than one county, the affirmative vote of the majority of the members of each board of county commissioners is required to take any action authorized by 7-16-2202 and 7-16-2205.

Section 9. Alteration of boundaries or dissolution of district. The board of county commissioners may alter the boundaries or dissolve a museum district using the same procedures required for creation of a district. Any existing indebtedness of a district that is dissolved remains the responsibility of the owners of property within the district, and any assets remaining after all indebtedness has been satisfied must be returned to the owners of property within the district.
