(m) property owned by a nonprofit corporation that is organized to provide facilities primarily for training and practice for or competition in international sports and athletic events and that is not held or used for private or corporate gain or profit. For purposes of this subsection (1)(m), "nonprofit corporation" means an organization that is exempt from taxation under section 501(c) of the Internal Revenue Code and incorporated and admitted under the Montana Nonprofit Corporation Act.

(2) (a) For the purposes of subsection (1)(b), the term "clergy" means, as recognized under the federal Internal Revenue Code:

(i) an ordained minister, priest, or rabbi;

(ii) a commissioned or licensed minister of a church or church denomination that ordains ministers if the person has the authority to perform substantially all the religious duties of the church or denomination;

(iii) a member of a religious order who has taken a vow of poverty; or

(iv) a Christian Science practitioner.

(b) For the purposes of subsection (1)(g):

(i) the term "institutions of purely public charity" includes any organization that meets the following requirements:

(A) The organization offers its charitable goods or services to persons without regard to race, religion, creed, or gender and qualifies as a tax-exempt organization under the provisions of section 501(c)(3), Internal Revenue Code, as amended.

(B) The organization accomplishes its activities through absolute gratuity or grants. However, the organization may solicit or raise funds by the sale of merchandise, memberships, or tickets to public performances or entertainment or by other similar types of fundraising activities.

(ii) agricultural property owned by a purely public charity is not exempt if the agricultural property is used by the charity to produce unrelated business taxable income as that term is defined in section 512 of the Internal Revenue Code, 26 U.S.C. 512. A public charity claiming an exemption for agricultural property shall file annually with the department a copy of its federal tax return reporting any unrelated business taxable income received by the charity during the tax year, together with a statement indicating whether the exempt property was used to generate any unrelated business taxable income.

(iii) up to 15 acres of property owned by a purely public charity is exempt at the time of its purchase even if the property must be improved before it can directly be used for its intended charitable purpose. If the property is not directly used for the charitable purpose within 8 years of receiving an exemption under this section or if the property is sold or transferred before it entered direct charitable use, the exemption is revoked and the property is taxable. In addition to taxes due for the first year that the property becomes taxable, the owner of the property shall pay an amount equal to the amount of the tax due that year times the number of years that the property was tax-exempt under this section. The amount due is a lien upon the property and when collected must be distributed by the treasurer to funds and accounts in the same ratio as property tax collected on the property is distributed. At the time the exemption is granted, the department shall file a notice with the clerk and recorder in the county in which the property is located. The notice must indicate that an exemption pursuant to this section has been granted. The notice must describe the penalty for default under this section and must specify that a default under this section will create a lien on the property by operation of law. The notice must be on a form prescribed by the department.

(iv) not more than 160 acres may be exempted by a purely public charity under any exemption originally applied for after December 31, 2004. An application for exemption under this section must contain a legal description of the property for which the exemption is requested.

(c) For the purposes of subsection (1)(i), the term "public museums, art galleries, zoos, and observatories" means governmental entities or nonprofit organizations whose principal purpose is to hold property for public display or for use as a museum, art gallery, zoo, or observatory. The exempt property includes all real and personal property owned by the public museum, art gallery, zoo, or observatory that is reasonably necessary for use in connection with the public display or observatory use. Unless the property is leased for a profit to a governmental entity or nonprofit organization by an individual or for-profit organization, real and personal property owned by other persons is exempt if it is:

- (i) actually used by the governmental entity or nonprofit organization as a part of its public display;
- (ii) held for future display; or
- (iii) used to house or store a public display."

**NEW SECTION. Section 2. Notification to tribal governments.** The secretary of state shall send a copy of [this act] to each tribal government located on the seven Montana reservations and to the Little Shell band of Chippewa.
