BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Short title. [Sections 1 through 7] may be cited as the "Montana Oil and Gas Owners' Lien Act".

Section 2. Definitions. As used in [sections 1 through 7], the following definitions apply:

(1) "First purchaser" means the first person who under contract purchases oil or gas from an interest owner at or after the time the oil or gas is severed.

(2) "Interest owner" means a person:

(a) who owns an entire or a fractional interest of any kind or nature in the oil or gas at the time it is severed; or

(b) who has a right, either express or implied, to receive a monetary payment determined by the value of the severed oil or gas.

(3) "Leasehold" means a tenant's leasehold interest, as defined in 30-2A-103, in property on which the oil or gas well is located.

(4) "Operator" means any person engaged in the severance of oil or gas on the operator's own behalf, on behalf of the operator and other persons, or on behalf of other persons.

(5) "Person" means any individual, executor, administrator, agent, trustee, or receiver or an estate, institution, business trust, trust of any other kind, firm, corporation, partnership, cooperative, limited liability company, limited liability partnership, sole proprietorship, government agency, association, or any other group

acting as a unit.

(6) "Purchaser" means a person who under contract purchases oil or gas from a first purchaser.

(7) "Severed" or "severance" means the taking, extraction, or production from the leasehold of oil or gas in any manner.

Section 3. Extent of lien -- dispute resolution -- notice -- buyer in ordinary course of business. (1)

To secure payment from the sale of oil or gas, an interest owner, subject to [section 6(2)] and subsection (4) of this section, has a continuing security interest in and the right to a lien upon the severed oil or gas or the proceeds from the sale of severed oil or gas to the extent of the interest owner's interest until the purchase price has been paid to the interest owner.

(2) If there is a bona fide dispute about the amount due to the interest owner, the security interest and lien do not accrue if the person holding the proceeds upon which the interest owner's security interest and lien are based makes a good faith determination of the amount of payment due to the interest owner and pays the interest owner that amount.

(3) (a) To have effect, a security interest or lien claimed under [sections 1 through 7] must be perfected as provided in [section 5], and a copy of the notice of the lien, as provided in [section 5], must be provided by an interest owner claiming the security interest or lien to other interest owners, if any, and to the operator, first purchaser, or purchaser by registered or certified mail.

(b) A security interest or lien is not valid under [sections 1 through 7] unless the provisions in subsection (3)(a) have been met.

(4) (a) A buyer in the ordinary course of business, as described in Title 30, chapter 9A, and subsection (4)(b) of this section, is entitled to the severed oil or gas free of the security interest and a lien filed by the interest owner under [sections 1 through 7].

(b) A buyer in the ordinary course of business is:

(i) a first purchaser or purchaser who has paid the purchase price for severed oil or gas to the interest owner; or

(ii) a person who pays the purchase price for severed oil or gas to a person authorized to receive payment on behalf of an interest owner.

(c) The property of the first purchaser or purchaser described under subsection (4)(b)(ii) also is free from

and not subject to a security interest or lien granted to an interest owner under [sections 1 through 7].

Section 4. Validity of lien -- transferability. (1) The security interest and lien granted to an interest owner under [sections 1 through 7] are not dependent on the interest owner's or operator's possession of the severed oil or gas.

(2) A change or transfer of the actual or constructive possession of or title to the severed oil or gas from an interest owner or an operator to a first purchaser or purchaser does not void or impair the security interest or lien.

Section 5. Perfection of lien -- verified notice -- effect of instruments -- effective date. (1) An interest owner who does not receive proceeds or payment for severed oil or gas when the proceeds are due may perfect the security interest and lien claimed under [section 3] by filing a notice, as provided in subsection (2), in the office of the county clerk and recorder in which the leasehold is located.

(2) A sworn affidavit must be in substantially the following form:

NOTICE OF OIL AND GAS OWNER'S LIEN

Notice is hereby given that: [name of interest owner for whom notice is filed], whose address is [address of named interest owner] claims [a fractional or decimal] interest in the oil or gas severed or proceeds of the sale from the [name of the leasehold], operated by [name and address of the operator]. The leasehold is located on the following [described land] in [name of county], Montana.

Oil or gas severed from the leasehold has been and is now or may be taken and the above-named interest owner has a security interest in and lien upon the oil or gas and the oil or gas proceeds to secure payment under the provisions of the Montana Oil and Gas Owners' Lien Act.

The signatories of this notice recognize that, if a sworn affidavit is not filed within 90 days of the time in which the payment to [the interest owner] is due, the security interest is not perfected and [the interest owner] does not receive a priority over any perfected security interest in the oil or gas described in this notice or the proceeds of the oil or gas described in this notice.

Signed by [interest owner].....

(3) An instrument filed with the county clerk and recorder that accompanies the notice filed in subsection

(1) is effective as a financing statement recognized under Title 30, chapter 9A, with or without the signature of the debtor. An instrument described in this subsection may be terminated in the same manner as a financing statement under the provisions of Title 30, chapter 9A.

(4) (a) Upon filing of the notice, as provided in this section, the effective date of the interest owner's security interest and lien is the date on which the oil or gas severance occurred.

(b) Except as provided in [section 6(2)] and subsection (4)(c) of this section, a security interest and lien filed under this section have priority over the rights of any person whose rights or claims arise or attach to the severed oil or gas for which the purchase price has not been paid or to the proceeds of oil or gas if the oil or gas has been sold, including the severed oil or gas or the oil or gas proceeds that arise or attach between the time the security interest and lien attach and the time of filing.

(c) The security interest and the lien filed under this section do not have a priority over the security interest or lien previously created and perfected under Title 71, chapter 3, part 10, or an operating agreement or other voluntary agreement for the development and operation of the leasehold.

Section 6. Rights of first purchasers. (1) The following are not affected by the provisions of [sections 1 through 7] or the filing of any instrument permitted under [sections 1 through 7]:

(b) ownership of oil or gas before the oil or gas is severed, as reflected by records affecting real property;

or

(c) the right of a first purchaser to take or receive oil or gas under the terms of a division order or a similar agreement for the sale and purchase of oil or gas.

(2) A first purchaser or purchaser is free to transport oil or gas products out of the state or to sell oil or gas products without permission or release of a lien perfected under [section 5].

Section 7. Expiration of lien -- enforcement -- consolidation -- costs -- personal actions -- other rights and remedies. (1) A security interest and lien claimed by an interest owner under [section 3] and perfected under [section 5] are attached to oil or gas that has not been paid for or to the proceeds of oil or gas if the oil or gas has been sold. The security interest and lien expire 1 year after the date of the filing of the notice of the lien under [section 5] unless within that year the interest owner files a personal right of action, as provided in

subsection (2), in a court of competent jurisdiction in the county in which the leasehold is located. The interest owner may request an extension of the security interest and lien as part of the personal right of action filing.

(2) Any number of persons claiming security interests and liens with respect to the oil or gas from the same leasehold may join a personal right of action. The court may consolidate any separate personal rights of action.

(3) The court may allow to the prevailing party costs as provided in 71-3-124 and any money paid for copying or obtaining records filed under [sections 1 through 7].

(4) If the personal right of action is commenced after the filing of an instrument, as provided in [section 5], the instrument must be considered as a lien upon the severed oil or gas or on the proceeds from the sale of the severed oil or gas, if sold, to the extent of the interest owner's claim for payment of the amount due the interest owner or the amount of the security interest and lien recorded under [section 5] by the interest owner. The security interest and lien may be further enforced as provided in 71-3-124.

(5) The provisions of [sections 1 through 7] do not impair or affect the right of a person to whom a debt may be due to maintain a personal right of action to recover the debt against a person who is liable for the debt.

(6) The provisions of [sections 1 through 7] are cumulative to the provisions of Title 30, chapter 9A, and not a limitation on or a substitution or impairment of any rights or remedies provided to a creditor against a debtor under Title 30, chapter 9A.
